Attest :

WILLIAM H. MORRIS,

*Town Clerk.***TOWN OF COHASSET****REPORT OF THE ANNUAL MEETING****Held March 12, 1932**

At the Annual Business Meeting held at the Ripley Road School today at 2 o'clock P. M., the following Articles were contained in the Warrant and acted upon as recorded :

*Article 3.* To choose all Town Officers not required to be elected by ballot.

VOTED: That all Town Officers not required to be elected by ballot be appointed by the Selectmen.

*Article 4.* To act upon the reports of the various Town

Officers as printed in the annual report for the year 1931.

VOTED: That the reports of the various Town Officers as printed in the town report for the year 1931 be accepted, with the exception of the special report on the New State Road, the latter report to be held for discussion and further action, under Article 14.

*Article 5.* What sums of money will the Town raise and appropriate for operation, salaries and expenses for the following:

1. Moderator: voted that the sum of \$100.00 be raised and appropriated for the Salary of a Moderator.

1a. Finance Committee: voted that the sum of \$150.00 be raised and appropriated for Finance Committee Expenses.

2. Selectmen: voted that the sum of \$2,000.00 be raised and appropriated, 3 Salaries @ \$400.00 and \$800.00 Expenses.

3. Auditor and Accountant: voted that the sum of \$2,600.00 be raised and appropriated for Auditor and Accountant, \$2,400.00 for Salary and \$200.00 for Expenses.

4. Treasurer: voted that the sum of \$2,400.00 be raised and appropriated for Treasurer, \$1,500.00 for Salary and \$900.00 for Expenses.

5. Collector: voted that the sum of \$2,425.00 be raised and appropriated for Collector, \$1,500.00 for Salary and \$925.00 for Expenses.

6. Assessors: voted that the sum of \$3,243.00 be raised and appropriated for Assessors, 1 Salary @ \$1,400.00, 2 Salaries @ \$600.00 each and \$643.00 for Expenses.

7. Other finance officers and accounts, certification of notes: voted that the sum of \$20.00 be raised and appropriated for other finance offices and accounts, certification of notes.

8. Law and legal counsel: voted that the sum of \$1,250.00 be raised and appropriated for the Salary of the Town Counsel.

9. Town Clerk: voted that the sum of \$1,000.00 be raised and appropriated for Town Clerk, \$500.00 for Salary and \$500.00 for Expenses.

10. Engineering, Maintenance: voted that the sum of \$200.00 be raised and appropriated for Engineering maintenance.

10a. Engineering, Outlay: voted that the sum of \$800.00 be raised and appropriated for Engineering Outlay.

10b. Election and Registration: voted that the sum of \$1,500.00 be raised and appropriated for Election and Registration.

11. Town Hall: voted that the sum of \$5,000.00 be raised and appropriated for the Town Hall.

12. Police Department: voted that the sum of \$18,983.00 be raised and appropriated for the Police Department, to be expended in accordance with the budget submitted.

13. Fire Department: voted that the sum of \$20,000.00 be raised and appropriated for the Fire Department, to be expended in accordance with the budget submitted.

13a. Amended that \$2,100.00 be raised and appropriated for the location and completion of the Engine #3 building and that a committee be appointed to complete the work. The committee to consist of the Selectmen and four citizens, to be appointed by the Selectmen, who are residents of Engine #3 district and the Chief of the Cohasset Fire Department.

14. Fire Department: Hydrant Service and Water for Public Buildings: voted that the sum of \$9,462.31 be raised and appropriated for Fire Department, Hydrant Service and Water for Public Buildings.

15. Inspection of Wires: voted that the sum of \$1,100.00 be raised and appropriated for Inspection of Wires, \$1,000.00 for Salary and \$100.00 for Expenses.

49. Loans, Bonds or Notes from Revenue: voted that the sum of \$14,000.00 be raised and appropriated for Loans, Bonds or Notes from Revenue.

50. Reserve Fund: voted that the sum of \$1,500.00 be raised and appropriated for a Reserve Fund.

*Article 6.* Will the Town authorize the Treasurer, with the approval of the Selectmen, to hire what money may be needed in anticipation of taxes of the current year, to be paid as soon as money sufficient for the purpose is received?

VOTED: that the Town Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1932, and to issue a note or notes therefor, payable within one year, any debt or debts incurred

under this vote to be paid from the revenue of said financial year.

*Article 7.* To hear the report of any committee heretofore chosen and act thereon.

VOTED: That the report of the Roads Committee as read be accepted, and that a committee of five be appointed by the Moderator to advise and cooperate with the Highway Surveyor on all matters pertaining to the work in his department until the next Annual Town Meeting, at which a further report with recommendations shall be made by said committee; said report was as follows:

#### REPORT OF ROADS COMMITTEE, COHASSET

Pursuant to action taken at the last Annual Town Meeting on March 7, 1931, a Roads Committee of five members was appointed by the Moderator on March 18, 1931, to advise and cooperate with the Highway Surveyor on all matters pertaining to the work in his department until the next Annual Town Meeting, at which a further report with recommendations was to be made by the Committee. The Roads Committee therefore makes its report as follows:

In the report which the same Committee made to the Town Meeting a year ago, copy of which appears in the Town Report for the year ending December 31, 1931 the Committee made eleven recommendations. Numbers 4 and 5 of these recommendations were as follows:

4. That survey of Town roads be made and report rendered to show:

1. Total mileage under Town jurisdiction for maintenance, and type of same—hard surfaced or gravel.
2. Condition of such roads at time of survey.
3. Approximate mileage taking most traffic.
4. Type of maintenance proposed for keeping in condition.
5. Estimated average cost per mile for work proposed.
6. Same with regard to less-used roads.

In this way it should be possible to standardize the proper charges for ordinary maintenance, thus limiting the uncertainties principally to estimates on new streets or streets which should be largely rebuilt.

5. That such survey and report be required as basis for appropriations in future for "General Highway Maintenance." That the budgeting of expenditures each year should cover, on a comparative basis, the expenditures of at least the two preceding years in order to furnish a better guide as to normal or abnormal expenditures.

At the first meeting of the above Committee, following its appointment in March, 1931, at which the Highway Surveyor was present, he was asked to furnish information so far as possible on the items set forth in paragraph 4. Although he was reminded of this request on more than one occasion he has never supplied the Committee with the desired information. As the Committee believes that the Highway Surveyor is the person best fitted to obtain this information, the Committee has been handicapped in any work or recommendations it might have made to carry out the instructions of the voters at the last meeting. In all fairness, however, it should be said that the Committee may be partly at fault in this matter, because it did not have regular dates for holding meetings.

This Committee is convinced that all the recommendations made in its report a year ago are sound, and believes that the Town will benefit substantially if these recommendations can be carried out. The Committee accordingly makes the following recommendations in addition to those included in its 1931 report:

1. That a Roads Committee of five be continued to advise and cooperate with the Highway Surveyor on all matters pertaining to the work in his department, the said Committee to be appointed by the Moderator.
2. That the Committee meet at least once a month through-

out the year on scheduled dates, and that the Highway Surveyor be present at such meetings.

3. That the Committee render a further report at the next Annual Town Meeting containing such recommendations as it may deem advisable.

Respectfully submitted,

EDWARD F. WILLCUTT, *Chairman*  
CHARLES J. DEEGAN  
HOLLIS T. GLEASON  
EDWARD A. MULVEY  
RALPH E. SCRIPTURE

*Committee.*

March 12, 1932.

*Article 8.* To see if the town will pass a by-law providing that "all of the accounts of the town shall be audited annually under the supervision of the Director of Accounts, Department of Corporations and Taxation, in accordance with the provisions of Section 35, Chapter 44, General Laws," or take any action relative thereto.

VOTED: That the town adopt the following by-law: All of the accounts of the town shall be audited annually under the supervision of the Director of Accounts, Department of Corporations and Taxation, in accordance with provisions of Section 35, Chapter 44, General Laws.

The above By-law was approved by the Attorney General, March 30, 1932.

At this time it was voted to take up Article 12.

*Article 12.* Kendall T. Bates and others. To see if the Town will appoint a committee of three, consisting of the chairman of the Board of Selectmen, the chairman of the Finance Committee and the Town Counsel to revise, compile and prepare a set of By-Laws for the Town to be submitted

and reported to the Town for its consideration and action at the next meeting.

VOTED: That a committee consisting of the Board of Selectmen, Chairman of the Finance Committee, Town Counsel and ten citizens to be appointed by the Selectmen to revise, compile and prepare a set of By-Laws for the Town, to be submitted and reported to the Town for its consideration and action prior to the next Annual Meeting, and that the Chiefs of the Fire and Police Departments be on the Committee.

*Article 9.* To see if the Town will vote to amend Article IV of its By-Laws relative to the election of a Finance Committee, by striking out said Article IV as it now appears and substituting and adopting in place thereof the following By-Law:

## ARTICLE IV

### FINANCE COMMITTEE

*Sec. 1.* There shall be a committee called the Finance Committee which shall consider any and all municipal questions for the purpose of making reports or recommendations thereon to the Town.

Such committee shall consist of nine members who shall be voters, who shall serve without pay (none of whom during their service on such committee shall hold any regular, elective or appointive Town office). Said committee shall be appointed as provided in the following section.

*Sec. 2.* The Board of Selectmen for the time being in office shall within thirty days after this By-Law becomes effective by adoption, approval and publication, as required by law, appoint such nine members to serve upon such Finance Committee, three of whom shall be appointed for terms to expire on the final adjournment of the annual Town Meeting held for the first year ensuing after the date of such appointment; three of whom shall be appointed for terms to expire on the final adjournment of the annual Town Meeting held for the

second year ensuing after the date of such appointments, and the remaining three shall be appointed for terms to expire on the final adjournment of the annual Town Meeting held for the third year ensuing after the date of such appointments, and annually after the adoption of this By-Law such appointing committee (Board of Selectmen) shall, within thirty days after final adjournment of each annual Town Meeting, appoint three members, each to serve for terms to expire on the final adjournment of the annual Town Meeting held for the third year ensuing after the date of such appointment.

*Sec. 3.* The Finance Committee shall, as soon as possible after the annual appointment of new members to the committee has been made, meet for the purpose of organization. They shall elect from their membership a chairman and a secretary, who shall hold office until the final adjournment of the next annual Town Meeting, or until their successors are elected.

The committee may from time to time make such rules and regulations with reference to their meetings and the conduct of their work as they may deem best for the interest of the Town, and they shall also hold public meetings and invite any Town officer, employee, citizen or person to attend, and to give such information as he may have, which will assist the committee upon any public matter coming before it for consideration.

Five members of the Finance Committee shall constitute a quorum thereof.

The committee shall, prior to each annual Town Meeting for the transaction of business, hold one or more meetings at which all heads of departments of the Town shall be invited to be present to consider the items which make up the annual budget, and any other municipal matters.

The Finance Committee shall be furnished by the Selectmen a copy of all Articles in the Town Meeting Warrants.

*Sec. 4.* The Committee shall prior to each annual Town Meeting for the transaction of business, prepare, publish and

distribute by mail to the voters of the Town a budget showing in detail the anticipated income and expenditures of the Town for the then current year, together with its advice and recommendations with reference to the various appropriations of the Town funds, and other municipal matters coming before such Town Meeting.

The committee shall at each annual Town Meeting present and explain such budget with its advice and recommendations, and it shall also at each special Town Meeting give its advice and recommendations with reference to any appropriation of the Town funds or other municipal matter coming before such special meeting.

*Sec. 5.* Whenever a vacancy occurs in the appointed members of the Finance Committee, notice thereof shall at once be given to the Town Clerk who shall thereupon notify the appointing committee, who shall forthwith fill such vacancy.

VOTED: To pass over.

*Article 10.* To see if the Town will vote to amend the By-Laws by adding the following section:

No person shall install any wires, conduits, apparatus, fixtures or other appliances for carrying or using electricity for light, heat or power purposes unless they first notify the Inspector of Wires of their intent and receive a permit therefor. No person shall connect any electric wire to a source of supply without first obtaining approval of the Inspector of Wires. Said Inspector shall issue no permit unless a fee of \$1.00 is paid. Any person violating this section shall be punished by a fine of not less than \$5 nor more than \$20.

VOTED: To pass over.

At this time a motion was made to take up Article 14. 176 voted yes, in favor of taking up this article; 47 No. It was so voted. Resolution of Mr. Petersen was not adopted. Resolve of Mr. Souther was adopted as follows:

It is hereby resolved that it is the sentiment of this meeting that the Board of Selectmen appoint a committee of seven

citizens of Cohasset to co-operate with the Board of Selectmen to take all necessary action to procure the layout and construction of a way connecting North Main Street with the New State Road, if constructed.

VOTED: That this meeting be adjourned to Saturday, at 2:30 P. M., at the Ripley Road School Hall.

Met according to adjournment, Saturday at 2:30 P. M., at the Ripley Road School Hall.

*Article 14.* Opened for further discussion, as the Moderator ruled that Article 14 had not been disposed of.

A motion by Mr. Crafts was voted as follows:

Motion that the report entitled "Special Report on State Road by W. O. Souther," appearing in the Cohasset Town Report for the Year 1931-32 on pages 202 to 208 inclusive, be and the same is hereby stricken in its entirety from the records of the Town of Cohasset.

68 voted in the affirmative.

64 voted in the negative.

A motion by Mr. Crafts was voted as follows:

Motion that this meeting take no action concerning the location of the proposed State Highway through the Town of Cohasset and that the matter of the location of such highway be left with the Department of Public Works of the Commonwealth of Massachusetts.

VOTED: In the affirmative.

*Article 11.* Kendall T. Bates and others. To see if the Town will vote to hereafter elect its Moderator by ballot at each annual election for the term of one year, in accordance with chapter 39, section 14, of the General Laws, or act on anything relating thereto.

VOTED: Unanimously in the affirmative.

*Article 13.* Kendall T. Bates, George T. Bowser, Lawrence Petersen, William O'Donnell, Milton L. Kerr, Charles E. Howe, Thomas Bates, Gorham L. Bates, Bernard J. Sal-

vador and T. Frederick Mulcahy. To see if the Town will vote to establish the salaries and compensation of the Town Officers for the ensuing year, or act thereon.

VOTED: That this article be Indefinitely Postponed.

At this time Mr. Stevens moved that Article 5, Sections 11 and 32 be reconsidered.

VOTED: In the affirmative.

Mr. Stevens moved that \$500 be raised and appropriated in addition to the amount previously raised and appropriated under Article 5, Section 11.

VOTED: In the affirmative.

Mr. Stevens moved that \$600 be raised and appropriated in addition to the amount previously raised and appropriated under Article 5, Section 32.

VOTED: In the affirmative.

At this time Mr. Kerr moved that the vote under section 39 of Article 5 be reconsidered.

VOTED: In the affirmative.

Mr. Kerr moved that the Town vote to raise and appropriate the sum of \$575.00 for the purpose of a 4th of July celebration, and that this money be expended under the direction and supervision of a suitable committee to be appointed by the Moderator.

VOTED: In the affirmative.

The committee appointed by the Moderator is as follows: Alfred J. Gonsalves, Norman Card, Nate Hurwitz, Walter S. Kerr, Milton Kerr, Ed Fleming, Joseph St. John, Harry Pattison, Abraham Antoine, Sr., George Jason, Joseph E. Grassie,

Charles Trott, Frank F. Martin, Jr., Hector Pelletier and Charles E. Howe.

*Article 15.* Inserted at the request of the Highway Surveyor. Will the Town raise and appropriate the sum of \$4,400 to construct a four-way, fireproof building on the Parking Place lot for the purpose of housing the tractors, steam roller and tools of the Highway Department, and for the storage of tools of other departments where convenient, or act on anything relating thereto?

VOTED: In the affirmative.

*Article 16.* George Jason and others. Will the Town raise and appropriate and sum of \$3,750 for a rubber-tired, combination snow scraper and tractor, or act on anything relating thereto?

VOTED: To indefinitely postpone.

*Article 17.* Albert E. Grassie and others. Will the Town vote to instruct the heads of the various departments to purchase all supplies and equipment, which can be so purchased, from the business men in the Town?

VOTED: To indefinitely postpone.

*Article 18.* Spencer H. Stoughton and others. Will the Town raise and appropriate the sum of \$825 to repair the wall on Pleasant Street, between the property of Michael J. Meehan and Lorenzo and Angelina Longo, or act on anything relating thereto?

VOTED: That \$825 be raised and appropriated for the above purpose.

*Article 19.* James H. Davis, Daniel Donovan, Edward T. Reilly, Patrick J. Powers, Stephen F. Rooney, William J. Kennedy, Henry F. Keating, Daniel McSweeney, Walter McGrath, Abraham S. Enos, Edward M. Fleming, William V. Grassie and William H. McArthur. Will the Town raise and appropriate the sum of \$2,000 to purchase two one and one-half ton

dump trucks for the Highway Department, or act on anything relating thereto?

VOTED: That the question of purchasing trucks under Article 19 be referred to the Special Committee on Roads, which is to be appointed by the Moderator, the said Committee to report its recommendations at the next annual Town Meeting.

At this time Mr. Souther submitted the following Resolution:

RESOLVED: That it is the sentiment of this meeting that the special Committee chosen to draft a new set of By-Laws for the Town consider the advisability of having the election of all Town Officers after the business meeting of the Town has been held. And if in the Committee's judgment such change is advisable they shall draft a suitable By-Law to provide for such change and submit same to the voters to act upon.

VOTED: To adopt the above Resolution.

At this time Mr. Robert B. James submitted the following Resolution:

RESOLVED: That it is the sentiment of this meeting that the flooded conditions that exist at the lower end of Ripley Road during periods of heavy rain-fall should be eliminated.

Further that a Committee consisting of the Highway Surveyor, Charles Howe, John J. Pratt, John McNeil and Gilbert Tower be and are hereby appointed, to investigate and study means of obtaining permanent and satisfactory drainage of the meadow land on easterly side of Ripley Road and to report their findings at the next annual Town Meeting.

VOTED: To adopt the above Resolution.

*Article 20.* John L. Pattison and others. Will the Town raise and appropriate the sum of \$1,000 to repair Lambert's Lane, the bridge to Hull Street, or act on anything relating thereto?

VOTED: To raise and appropriate the sum of \$1,000 for the above purpose.

*Article 21.* Dominick Sorrentino and others. Will the Town raise and appropriate the sum of \$1,400 to cut off the corner of Cedar and Hull Streets, on the side of the property of Dominick Sorrentino, continuing to the Davenport barn and the cemetery, or act on anything relating thereto?

VOTED: To indefinitely postpone.

*Article 22.* George G. Monteiro and others. Will the Town raise and appropriate the sum of \$1,000 to repair Stockbridge Street, or act on anything relating thereto?

VOTED: That \$1,000 be raised and appropriated for the above purpose.

*Article 23.* To see if the Town will vote to authorize and instruct its Selectmen to execute, acknowledge and deliver in its behalf a deed of conveyance to the Beechwood Cemetery Association, releasing all right, title and interest in and to the land on Doane Street, around and upon which the Beechwood Fire Station was recently situated, or act on anything relating thereto.

The following Motion was submitted by Dr. Gilbert:

Moved: That the Selectmen be and hereby are authorized to execute, acknowledge and deliver in behalf of the Town, a proper deed of conveyance to the Beechwood Cemetery Association, for the sum of \$1.00, releasing all the Town's right, title and interest in and to the lot of land on Doane Street around and upon which the Beechwood Fire Station was formerly located.

VOTED: In the affirmative.

*Article 24.* To see if the Town will appropriate the sum of \$500 from any free cash in the treasury, upon approval of the Commissioner of Corporations, for the acquiring of a release of all rights of way or easements in the strip of land

adjacent to the Beechwood Park, recently purchased by the Town from the estate of Elmer E. Bates, authorize its Selectmen to procure such release, or act on anything relating thereto?

VOTED: To indefinitely postpone.

*Article 25.* Harold F. Barnes and others. Will the Town raise and appropriate the sum of \$25 to install and maintain an electric light on Red Gate Lane near the residence of James M. Dolan, or act on anything relating thereto?

VOTED: To raise and appropriate \$25 for the above purpose.

*Article 26.* Inserted at the request of the Chief of the Fire Department. Will the Town raise and appropriate the sum of \$225 for the installation and maintenance for the current year of the following hydrants?

1. On Margin Street between Bartow's corner and the Yacht Club.

2. On Atlantic Avenue about opposite the property of Aretas O. and Helen H. Barker.

3. On Atlantic Avenue about opposite the driveway of Catherine H. Little.

VOTED: To raise and appropriate the sum of \$150 for two hydrants, as follows:

1. Opposite Barkers on Atlantic Avenue.

2. One on No. Main Street opposite the entrance to Red Gate Lane.

*Article 27.* Harold F. Barnes and others. Will the Town raise and appropriate the sum of \$75 for the installation and maintenance of a hydrant on Red Gate Lane, near the residence of R. Stokes Apsey, or act on anything relating thereto?

VOTED: That \$75 be raised and appropriated for the above purpose.

*Article 28.* To see if the Town will appropriate from any

free cash in the treasury, with the approval of the Commissioner of Corporations and Taxation, the sum of \$2,500 for the purpose of providing a space for parking on the vacant lot of land adjacent to the Town Hall, formerly known as the Browne lot, or act on anything relating thereto.

VOTED: To indefinitely postpone.

*Article 29.* To receive the expression of opinion of the voters of the Town as to whether or not they favor a continuance of the Old Age Assistance Law in Massachusetts in its present form of operation.

VOTED: In favor of its continuance.

VOTED: That this meeting be dissolved.

Total amount raised and appropriated .....	\$302,642.29
Amount appropriated to be taken from Cemetery	
Fund .....	1,100.00
Amount to be taken from any available Funds ....	5,000.00

Attest:

WILLIAM H. MORRIS,

*Town Clerk.*

## QUESTION NO. 1

### LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in

this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the State treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts

as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words "Chiropractic Practitioner", the letters "D.D.", or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative, be approved:

Yes .....	283
No .....	643
Blanks .....	643

## QUESTION NO. 2

### LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in

April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number

of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?

Yes .....	613
No .....	190
Blanks .....	766

### QUESTION NO. 3

#### PROPOSED AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES

Is it desirable that the proposed amendment to the Constitution of the United States,—

#### “ARTICLE —

“*Section 1.* The terms of the President and Vice-President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

“*Sec. 2.* The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

“*Sec. 3.* If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice-President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by

law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

“*Sec. 4.* The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

“*Sec. 5.* Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

“*Sec. 6.* This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission,”—be ratified by the General Court?

Yes .....	803
No .....	126

COMMONWEALTH OF MASSACHUSETTS

CONVENTION OF TOWN CLERKS

Third Plymouth Representative District

On the eighteenth day of November, A.D. 1932, the Town Clerks of Hingham, Cohasset and Hull, said Towns comprising the Third Plymouth Representative District, assembled at the office of the Town Clerk in Hingham at 2 o'clock P. M., for the purpose of examining the returns of votes given in and determining who had been elected to represent said District in the General Court, to be holden at Boston on the first Wednesday of January next, proceeded to canvass said returns and found the ballots given in for the candidates to be as follows:

	Hingham	Cohasset	Hull	Total
John Q. Knowles of Hull	2518	1181	1030	4729
Edgar T. Brickett of Cohasset		1		1
William H. Morris of Cohasset		1		1
Blanks	593	386	258	1237
	<hr/>	<hr/>	<hr/>	<hr/>
Total	3111	1569	1288	5968

It appearing that John Q. Knowles of Hull had received a plurality of the votes given in, a certificate of election was issued to him.

WILLIAM L. HOWARD,  
*Town Clerk of Hingham,*  
WILLIAM H. MORRIS,  
*Town Clerk of Cohasset,*  
ANDREW F. POPE,  
*Town Clerk of Hull.*

Attest :

WILLIAM H. MORRIS,  
*Town Clerk.*

## VITAL STATISTICS

### Record of Births, Deaths and Marriages Recorded in 1932

#### BIRTHS

Total number of births was one hundred twenty-five, of which sixteen were delayed returns, of past years, heretofore unrecorded. Of the one hundred and nine births in the year 1932, there were sixty-six where the parents were residents of other towns. Of the forty-three whose parents were residents of Cohasset nineteen were females and twenty-four were males.

#### MARRIAGES

Total number of marriages was twenty-six of which sixteen were married in Cohasset.

#### DEATHS

Total number of deaths was forty-eight, of which one was a delayed return, of a past year, heretofore unrecorded. This number includes those who died in other towns and were brought here for burial. Of the thirty who were residents of Cohasset twenty were females and ten were males.

The causes of death were as follows: cerebral hemorrhage, 5; stillbirth, 5; accidental, 3; chronic intestinal nephritis, 3; coronary embolism, 2; broncho pneumonia, 2; chronic myocarditis, 2; myocarditis, 2; cerebral embolism, 2; accidental drowning, cancer of liver, carcimona of rectum, premature birth, internal hemorrhage, operative shock, acute nephritis, prematurity, acute yellow atrophy liver, cholecystitis, acute hemorrhagic pancreatis, infection of finger, chronic nephritis, peritonitis, chronic bronchitis, tubercular kidneys, cancer of breast, pelvic abcess, surgical shock, valvular disease of heart, coronary thrombosis, arteriosclerosis, one each.

*Parents, be sure to record the birth of your child with given name in full.*

## READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born." General Laws, Chapter 46, Section 6.

SOME OF THE MANY REASONS WHY BIRTHS  
SHOULD BE RECORDED

To establish identity.

To prove nationality.

To prove legitimacy.

To show when the child has a right to enter school.

To show when the child has the right to seek employment under the child labor law.

To establish the right of inheritance to property.

To establish liability to military duty, as well as exemption therefrom.

To establish the right to vote.

To qualify to hold title to, and to buy and sell real estate.

To establish the right to public office.

To prove the age at which the marriage contract may be entered into.

To make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

## REPORT OF STATE AUDITOR

*To the Board of Selectmen  
Mr. William H. McGaw, Chairman  
Cohasset, Massachusetts*

*Gentlemen:* I submit herewith my report of an audit of the accounts of the temporary collector of the town of Cohasset for the period from September 19, 1931 to March 10, 1932, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,  
*Director of Accounts.*

TNW-MEF

*Mr. Theodore N. Waddell  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston*

*Sir:* As directed by you, I have made an audit of the books and accounts of the temporary collector of the town of Cohasset for the period from September 19, 1931, the date of the recommitment of taxes, to March 10, 1932, and submit the following report thereon:

The recommitments of taxes to the temporary collector were verified and compared with the assessors' warrants for their collection. The recorded collections were checked with the payments to the treasurer as recorded in the treasurer's and the accountant's books, and the abatements were checked with the assessors' records of abatements granted.

The outstanding accounts on March 10, 1932, were listed and reconciled with the accountant's ledger, and the aggregate amounts outstanding on the several tax levies to be recommitted by the assessors to the new collector, as of March 10, 1932, were determined.

The surety bonds of the temporary collector and of the newly elected collector were examined and found to be in proper form.

Appended to this report are tables showing summaries of the tax accounts.

For the courtesies and co-operation extended by the various town officials during the progress of the audit, I wish, on behalf of my assistant and for myself, to express appreciation.

Respectfully submitted,

EDW. H. FENTON,

*Chief Accountant.*

EHF-MEF

Cemetery Improvement .....	1,554.71
Parking Place building .....	169.00
	<hr/>
	\$10,963.29
	<hr/>

## REMARKS:

Any citizen who may be in doubt about any item in the foregoing report is invited to call on the accountant, who will take pleasure in explaining everything possible and showing vouchers in substantiation of payments, also original entries on the books showing sources of receipts.

The matter of "Unpaid Bills" at the end of a financial year has always been a source of trouble. Such bills have been submitted late in the year next after the delivery of the goods, and the accountant's experience of 23 years shows that it is impossible to get all of them in time to list in a Town Report.

There is now on hand an unpaid account of the Boston Sand & Gravel Co., for sand delivered in October, 1930, when Mr. E. R. Mealy was Highway Surveyor. This was not approved by the proper person in 1930, and naturally, Mr. George Jason who took office in March, 1931, would not approve it. The Selectmen have investigated this account and find it correct, and it seems the town should vote to pay this account under "Selectmen-Highways" at the next annual meeting.

Respectfully submitted,

EDWARD L. STEVENS,  
*Town Accountant.*

Jan. 20, 1933.

## DETAILS, FROM PAYROLLS, 1932

## REPORT OF THE BOARD OF SELECTMEN

Your Board of Selectmen feel that the past year has been the hardest Cohasset has experienced for many years, calling for continuous and careful thought.

In the matter of general taxation there are four conditions to which we wish to call your attention :

1st. The tax against the town, by the State will probably be greater on account of the State's loss of revenue from Estate and Inheritance Taxes.

2nd. Our refund from the State will be very much less on account of the greatly reduced collection from Income Taxes, a portion of which is returned to cities and towns.

3rd. Very little building has been done in the town during the past year.

4th. Assessment reductions have been demanded.

With these conditions in mind it is important this year that voters make a serious study of all articles in the warrant, calling for the expenditure of funds, bearing in mind that on one side we have the taxpayer who is heavily burdened and on the other hand we have all kinds of labor out of employment.

We would recommend to all to look at both sides of the question and in the endeavor to cut expenses consider how we can best carry on for the benefit of all concerned.

Respectfully submitted,

**WILLIAM H. McGAW,  
HERBERT L. BROWN,  
DARIUS W. GILBERT,**

*Board of Selectmen of Cohasset.*

## REPORT OF THE ASSESSORS

The Assessors of the Town of Cohasset submit their report for 1932.

Following are the figures from which our tax rate was obtained.

Total valuation 1932 .....	\$10,829,380.00
Total valuation 1931 .....	10,769,587.00
<hr/>	
Increase in valuation 1932 .....	\$59,793.00

Respectfully submitted,

HERBERT L. BROWN,  
WILLIAM H. McGAW,  
DARIUS W. GILBERT,

*Assessors of Cohasset.*

## REPORT OF THE BOARD OF PUBLIC WELFARE

The duties of this Board have been increased this year over any year in the history of the Town. The outside assistance has been the greater part of the increase.

The Cohasset Home has been operated at only a slight increase over the preceding year.

The building needs extensive repairs this year, particularly the roof and exterior woodwork, and the trimmings should be painted. The present shingles on the main roof have been in use since the Home was constructed.

An estimate for the necessary work will be prepared and presented for action at the Annual Town Meeting, in March.

It was thought best to give work to many unemployed during the summer, so that we expended \$2,577.00 in mowing bushes, at Cohasset Home.

The wood cut from the Town's land, taken for the New State Road, was hauled out and apportioned in one-half cord lots to needy families. Those trucking the wood were paid in wood to avoid using money from this department, to pay for it.

The net cost of this department, excluding the amount spent in mowing bushes on the Cohasset Home land, was \$1,180.12 over the net cost in 1931.

We wish to thank the officers of the Cohasset Chapter, American Red Cross, the officers of the Social Service of Cohasset and Miss Fannie E. James, District Nurse, for their helpful co-operation with this Board, in this difficult time.

## POLICE AND FIREMEN'S RELIEF FUND

Late in the year the Members of the Board as trustees, but not as Town Officials, received Five Hundred Dollars from the Cohasset Police Relief Association and Four Hundred Dollars from the Firemen's Relief Association, to be dispensed

by us, in giving employment for the unemployed or distressed people.

This was a very generous act on the part of the donors and we wish to use this means of publicly expressing our appreciation and thanks to both Associations.

Respectfully submitted,

DARIUS W. GILBERT,  
HERBERT L. BROWN,  
WILLIAM H. McGAW,

*Board of Public Welfare.*

## TREASURER'S REPORT FOR 1932

Balance in Treasury, January 1, 1932 ..... \$32,135.95

ELEANOR T. DOWNS,

*Tax Collector.*

## REPORT OF SEALER OF WEIGHTS AND MEASURES

*To the Honorable Board of Selectmen.*

*Gentlemen:* My report as Sealer of Weights and Measures is as follows: The various appliances in Town have been carefully tested: 463 were sealed, 70 adjusted, and 9 were condemned. The amount of \$45.75 was collected as sealing fees and paid to the Treasurer.

I have retested several appliances, inspected hawkers' and pedlers' licenses, clinical thermometers, package goods, and other commodities offered for sale by weight.

Respectfully submitted,

LOT E. BATES,

*Sealer.*

## REPORT OF THE TREE WARDEN

*To the Citizens of Cohasset:*

I herewith submit the following report:

The care of the old shade trees in our town along the road-sides becomes more difficult each year as a great many of them are very old. There are many dead branches that appear each year which have to be removed, and in some cases the whole tree has to be taken down in order to prevent any damage from being done.

The pruning of trees on the road sides was carried on during the past year in places where it was most needed. The shade trees in and around the common, Furber park, Beechwood park, the two parks at the cove and other small parks also.

Some of the large trees on road sides were fertilized during the early spring, as well as all young trees that have been planted in the past few years. All young trees were restaked and dug around, and as the early part of the past spring was very dry the young trees were watered several times.

There were some rhododendrons and other flowering shrubs planted at the base of the ledge at the foot of the common. These should beautify the same in time to come. There also were a number of trees planted in different parts of the town. All roadsides throughout the town were sprayed, including the State Highway from the Hingham line to Sohler Street and from Beechwood Street to the Scituate line. Other years the cost of doing this work was reimbursed to the town.

As most trees on our main streets are very tall, it requires a very powerful spraying machine to throw a spray over them, and whereas the machine which we have is over twenty years old, and at that time the state paid 80% of the cost, it requires a lot of repairing, which would be very much cheaper than to

purchasing a new one at this time. It will do the work if repaired.

Therefore I recommend the sum of three thousand two hundred and fifty dollars be raised and appropriated for the tree warden department. The amount of three hundred dollars for cleaning of trees for the fire alarm was expended although we did not cover the whole town thoroughly, the system seems to be in fair shape.

I recommend the sum of three hundred dollars be raised and appropriated for the cleaning of trees for the fire alarm.

I hereby thank the citizens for their support and cooperation during the past year, particularly the Cohasset Garden Club, which has done a lot of work in helping to beautify different parts of the town by planting flowers, etc.

Report of Tree Warden will be found on Page 221 of the 1931 town report.

Respectfully submitted,

JOSEPH E. GRASSIE,

*Tree Warden.*

## REPORT OF SUPERINTENDENT OF PARKS

*To the Honorable Board of Selectmen:*

Having been appointed superintendent of parks by your board for the past year, I herewith submit the following report on Wheelwright Park.

During the early spring the ruins of the old barn, which was destroyed by fire, was cleaned up and carted away. The ground on which the building stood was graded to some extent and planted with spruce and balsam trees. There were trees planted on the roadsides in some places where there were none. We also removed some of the loose stones from the roadbed. During the early fall the roadsides were mowed from North Main Street through to Forest Avenue. We also parked out and cleaned up about two acres on the Forest Avenue end. This work should be carried on from time to time until the whole area has been parked out and cleaned up. There should also be more evergreen trees planted such as hemlocks, red pine and spruce. These varieties will beautify the park and are practically immune from insect pests.

The white pine weavel was not as numerous during the past year, therefore the young white pines did not suffer near the damage as in former years.

I want to take this opportunity to thank the citizens for their helpful suggestions during the past year.

Respectfully submitted,

JOSEPH E. GRASSIE,

*Superintendent.*

## REPORT OF MOTH SUPERINTENDENT

*To the Honorable Board of Selectmen:*

Having been appointed by your honorable board as Moth Superintendent, I herewith submit the following report.

The work of creosoting gypsy egg clusters was carried on during the past winter and early spring, before the hatching season, and the same is being done at the present time. Although the moth situation is well in hand, the same territory must be gone over each year in order to prevent any new colonies from starting up and spreading, as there are some gypsy egg clusters to be found in all parts of the town. There has been no trees stripped of their foliage to my knowledge for the past number of years by the gypsy or brown tail moths.

During the early spring we start the spraying in order to prevent the tent caterpillar from getting too much of a start. When they are small they do not go far from their web, and by early spraying they do not spread. All roadsides, as well as other sections of the town where gypsy egg clusters were found during the creosoting season were sprayed, as was all private property that we were asked to spray, pertaining to the gypsy and brown tail moths.

There has been no Japanese beetle found in our town as yet that I know of.

The elm beetle did quite a lot of damage during the past season. This was regarding the eating of the foliage on trees that were not sprayed, on private property.

The elm trees on the roadsides as those on private property that we were requested to spray at the proper time, were not affected by the elm beetle.

Any person who wishes to have their property sprayed should notify the proper authority in the early spring.

At a Moth Superintendent and Tree Wardens' Meeting, held in Boston, January 19th last, reports were read by the different division superintendents and in most parts the gypsy moth and elm beetle are increasing.

The most severe defoliation was on the Cape, where thousands of acres were stripped clean as some of you may have noticed while driving through.

All local Moth Superintendents were urged by the Honorable William A. L. Bazeley, State Forester, during his address, to scout thoroughly all parts of the towns for gypsy egg clusters to prevent any new colonies from spreading.

The fall web worm is becoming more numerous each year. We spend all that we can of our appropriation trying to exterminate them, but as we do not have enough, there should be some money raised for this purpose. As I have previously mentioned, all wild cherry and willow trees should be cut down wherever possible as these seem to be their best breeding places.

I recommend the sum of seven thousand dollars be raised and appropriated at our annual town meeting next March for the Moth Department.

I am taking this opportunity to thank the citizens for their help and cooperation in this department.

Respectfully submitted,

JOSEPH E. GRASSIE,

*Moth Superintendent.*

## REPORT OF THE BOARD OF HEALTH

*To the Citizens of Cohasset:—*

The members of the Board of Health have, during the past year, continued with the usual routine of work connected with their department, investigating and remedying complaints of various natures, enforcing quarantine in cases of contagious diseases, and in general have endeavored to enforce and uphold regulations pertaining to health and sanitation as specified by the laws of Massachusetts and the Town of Cohasset.

A Well Baby Clinic was established early in 1932. The Clinic, advocated by the Social Service League and conducted under their supervision is held on the first Tuesday of each month at the Ripley Road School with Dr. Stuart Clifford, a baby specialist in attendance. The Clinic is for preventative work and for well babies. Medicine is not prescribed for sick children, neither are they treated at the Clinic, they being referred to their own family physicians.

The work of the Clinic is based chiefly on administering advice and instructions on the care and feeding of babies. During the past year 57 children between the ages of seven weeks and nine years have been examined, with an average attendance each month of twelve babies.

It is safe to presume that the mothers whose children are brought regularly to the Clinic are very much interested and therefore considerable good is being realized.

The Dental Clinic, under the direction of Dr. Ross has, during the past year, examined 560 children. Of that number 455 children have received treatment with 403 of the latter group receiving treatment until all defects had been remedied and each case completed.

Inspection of milk, vinegar, meat and provisions have been made at frequent intervals.

Compared to previous years, very little work was required in removing the unsightly and odious fungus growth on Strait's Pond. This may be attributed to the draining on several occasions of the Pond last winter making possible the removal of much of the root growth of the plant. In comparison, however, Cat Dam and the lagoons adjacent to Jerusalem Road were very objectionable until the month of August when the condition was remedied.

The decrease in expenditures on Strait's Pond enabled this department to do much needed work on James Brook. The streams from Sohler Street to the Cove, including those in the center of the Town, were cleaned of silt and brush with the result that despite the record rainfall of late October and early November, the usual inundation at Ripley Road as occasioned by heavy and sustained rainfall was avoided.

Fifty old cars and 1,495 loads of rubbish were received at the Town Dump last year. In addition to this, the caretaker reported that hundreds of loads were dumped after working hours, Sundays and holidays. A noteworthy feature of the Dump is that it provides a disposal place for abandoned and worthless old cars that in the past cluttered up back gardens, garage yards and fields.

The number of dead animals, particularly skunks found on the highways greatly exceeded that of previous years. This may have been due to the recent restriction on the use of steel traps thereby reducing trapping to a minimum and accounting for the unusual number of animals killed by machines and requiring burial. Because of this condition it has been deemed advisable to reduce, in the future, the amount usually paid for burying animals.

It is a general recognized fact that the Mosquito Control Project has accomplished much in the eradication of mosquitoes. Due to the absence of marshland in comparison to surrounding

towns, Cohasset's proportionate assessment as determined by the State Department was but \$433.00, this sum being expended under the direction of the Commission's superintendent located at Scituate, the work consisting of semi-monthly oil spraying of stagnant pools along the sea-shore with local citizens being employed for that purpose.

Respectfully submitted,

NATHANIEL HURWITZ, *Chairman*  
ABRAHAM ENOS, *Secretary*  
FREDERICK SULLIVAN

*Board of Health.*

## REPORT OF THE HARBOR MASTER

*To the Honorable Board of Selectmen:*

*Gentlemen:* The Harbor Master begs to make his annual report:

Realizing the need of strict economy in municipal expenditures, at the present time, it is the intention of this department not to ask for an increase in appropriation, although last year's amount was hardly adequate to properly conduct and maintain the harbor.

It will be most necessary to make extensive repairs to the runways and float-stage at the Margin Street side of the harbor. It has been the intention to renew the entire structure, but we feel it will not be false economy to repair them once more. Because of their condition last year it was imperative that they be hauled up and stored four weeks earlier than usual.

The landing of bait, etc., at our commercial landings still remains a very unsanitary condition, as most anyone acquainted with these conditions will agree, but to properly relieve this matter will require an expenditure beyond the amount asked for, this year.

We wish to call to the attention of the Honorable Board, and the Citizens of the Town, to the flag-pole now at the Town Landing. This is a most appropriate addition to this beautiful spot, made possible by the generosity of Mrs. Jessie Bancroft Cox, who donated the staff. (This staff was on the famous Cohasset estate of the late Mr. Clarence W. Barron.) With a very small expense to this department, this magnificent pole was delivered, erected, painted and made ready for the hoisting of the flag.

It must be understood that in spite of this so-called depres-

sion there were nearly as many boats using our harbor this past year as before. Although a few large boats were not here, channel bouys, moorings, etc., needed as much attention and repairs, as heretofore.

We wish, at this time, to express our appreciation to all those with whom we have come in contact this year, for their co-operation and good will, especially the yachtsmen and fishermen.

Respectfully submitted,

JOHN J. GRASSIE,

*Harbor Master,*

JOSEPH S. ENOS,

*Assistant Harbor Master.*

# REPORT OF THE TREASURER OF THE TRUSTEES OF WEYMOUTH FORE RIVER BRIDGE

For the Year Ending December 31, 1932

Balance brought forward from 1931 ..	\$229.96
--------------------------------------	----------

Receipts:

Hingham, December 31, 1932.

WM. L. FOSTER,  
*Treasurer.*

*Trustees of Weymouth Fore River Bridge,*

*Gentlemen:* I have examined the accounts of William L. Foster, Treasurer of the Trustees of Weymouth Fore River Bridge, for the twelve months ending December 31, 1932, and I hereby certify that he has accounted for all receipts that have been reported.

I have also reconciled the bank account and find the balance of \$186.28 to be correct.

Very truly yours,

J. IRVING BOTTING,  
*Auditor.*

Hingham, Massachusetts,  
January 25, 1933.

## REPORT OF COHASSET FIRE DEPARTMENT

*To the Honorable Board of Selectmen:*

*Gentlemen:* As Chief of the Fire Department I submit the following report. During the past year the department responded to 53 calls: 33 bell alarms and 20 silent or telephone calls.

House Fires .....	11	Hen Houses .....	1
Chimney Fires .....	11	Barns .....	1
False Alarms .....	9	Bridge .....	1
Automobiles .....	6	Out of Town Call .....	1
Oil Range Burners .....	2	Woods and grass .....	7
Power Boats .....	1	Store House .....	1
Starrett Co. Tar Wagon ..	1		

Engine No. 1 responded to 32 alarms, Engine No. 2 responded to 12 alarms, Engine No. 3 responded to 17 alarms, Ladder responded to 28 alarms, and Chevrolet pump and forest truck responded to 46 alarms and telephone calls outside of the Forest Department.

The department used 8,925 feet of hose, 805 feet of ladders, 55 lbs. of Fyre Freez and 7½ gallons of foamite for extinguishing automobile fires and 16 Carbon Tetrochloride bombs for chimney fires.

The assessed value of houses and buildings, automobiles, etc. was \$118,975.00. Loss was \$6,220.00.

The equipment is in first class condition and up to every recommendation of the Underwriters.

The Fire Trucks are in first class condition.

I want to thank the merchants for their cooperation in eliminating the fire hazard in the business section of the town.

I want to thank the Honorable Board of Selectmen for

their deep interest in the department; to Chief Pelletier and his officers in his department, for their cooperation and assistance in every way possible, to all others who have volunteered their services or assisted in any way, and to the officers and members of the Fire Department for the efficient and faithful manner in which they have performed their duty.

Respectfully submitted,

FRANK F. MARTIN, JR.,

*Chief.*

## REPORT OF THE FOREST WARDEN

*To the Honorable Board of Selectmen:*

*Gentlemen:* My report as Forest Warden is as follows: The past year was unusual in regard to wood and grass fires. The spring was dry with many wood and grass fires and continued with the average rainfall until the first week in October, when the rainfall from then on to the end of the year was almost a record which was of great benefit to the Town in reducing the danger and cost of Forest Fires.

A Fire Patrol is put on Saturdays, Sundays and holidays in dry times when ordered to do so by the State Forester. I want to thank the citizens for their help and cooperation in this department. Please do not pull a box for a grass or wood fire, use the telephone.

A permit is required for burning in an incinerator unless the same is approved by the Forest Warden. A permit is required at all times in the year *except* when snow is on the ground or it is raining.

Respectfully submitted,

FRANK F. MARTIN, JR.,

*Forest Warden.*

## REPORT OF THE WIRE INSPECTOR AND SUPERINTENDENT OF THE FIRE ALARM

*To the Honorable Board of Selectmen and the Chief of the  
Fire Department:*

*Gentlemen:* I herewith submit my report as Wire Inspector and Superintendent of Fire Alarm of the Town of Cohasset.

During the past year the usual careful inspections have been made of all electrical jobs done in the town.

The Electric Light and Power Company replaced seventy-six poles and all fittings; The New England Telephone and Telegraph Company set twenty-five poles (fifteen being on private property); because of this work the Fire Department had to change their wires and equipment to the new poles. Both companies are keeping their wires in first class condition eliminating danger which the public would be subjected to.

We have improved the fire alarm system again this year, installing new boxes on Nichols Avenue, Church Street, and Pond Street, replacing old boxes on Sohier Street and one at Beechwood Street. We have also connected Scituate with Cohasset and Cohasset with Scituate so that each town will get the other's alarms. Each town sharing alike in expense.

In closing, I wish to express my appreciation to the Board of Selectmen, the Chief of the Fire Department, the Electric Light and Power Company, The New England Telephone and Telegraph Company and all electrical contractors for their co-operation.

Respectfully submitted,

HERBERT WILLIAMS.

## REPORT OF THE COHASSET POLICE DEPARTMENT

*To the Honorable Board of Selectmen.*

*Gentlemen:* I herewith submit my report for the Police Department of the Town of Cohasset, for the year ending December 31, 1932.

### Official Roster of the Department

*Chief of Police,* Hector J. Pelletier

*Sergeant,* Frank Jason

### Patrolmen

### Summary of Work Done by Department

Attempted suicide, 1.

Accidents investigated, 55.

Auto stolen, 1.

Buildings found open and locked by police or owner, 41.

Calls for Inhalator, 1.  
 Cars stopped for auto violations and warned, 93.  
 Cars stopped for licenses and registrations, 425.  
 Cars tagged for improper parking, 69.  
 Complaints received and investigated, 1,381.  
 Cruelty to animal cases investigated, 3.  
 Defects in streets reported, 6.  
 Dogs killed or cared for, 23.  
 Duty calls from boxes (by officers), 6,010.  
 Fatal accident, 1.  
 Fire alarm answered, 37.  
 Injured on R. R. property, 1.  
 Insane and sick taken to hospital, 16.  
 Licenses suspended on recommendation, 18.  
 Mileage of motor cycles, 8,412.  
 Mileage of car, 23,123.  
 Missing persons reported, 5.  
 Motorist assisted, 70.  
 Property found and returned to owner valued at \$28.04.  
 Restitution made, \$97.40.  
 Special attention requested by owners of unoccupied houses, 28.  
 Stolen automobiles recovered, 1.  
 Stolen property recovered by department valued at \$510.15.  
 Street lights reported out, 176.  
 Summer homes inspected weekly, 142.  
 Summons served for other police departments, 93.  
 Total fines, \$1,053.

Desiring to co-operate with your Honorable Board in reducing expenditures I have made this report as brief as possible. In conclusion may I express my appreciation to your Honorable Board and all the people of the Town of Cohasset for their splendid co-operation.

Respectfully submitted,

HECTOR J. PELLETIER,

*Chief of Police.*

## REPORT OF HIGHWAY SURVEYOR

I herewith submit my report as Highway Surveyor for the past year :

Work began on the roads as soon as weather conditions permitted. The roads were cut back to their original width with the road scraper, patched, tarred and sanded. Cedar and Doane Streets were gravelled and repaired and a ledge on Cedar Street was blasted and removed to widen the road. Very heavy rains in the early spring washed out parts of the streets on Lincoln Hillside and these were filled in with gravel and patching material. Holes and low places in the streets were filled and patched as soon as these were discovered.

A part of Pond Street (approximately a half mile) was ripped up, widened, stoned and tarred—the penetration system used. The sides of the road were built up, graded and the culvert repaired. About one fourth mile of this street is still in need of repair but it was not possible to take care of it from the general appropriation of the past year. The state road now under construction will cross this street.

Sohier Street from the Bancroft Estate to the railroad crossing was widened and the material from the sides dumped in a low place in back of Ripley Road School.

The sidewalks were rolled and some covered with stonedust. All drains and catch-basins were blown out and cleaned. This work is repeated several times a year.

Fences were rebuilt in many places. Near the Grain Mill, off South Main Street, part of the wall as well as a new fence had to be constructed. On Beechwood Street the wall and culvert were repaired and a new fence and a catch-basin were built. All other fences were repaired and painted white.

Lambert's Lane from the brook to Hull Street was resurfaced and a dangerous ledge blasted and removed. About two thirds of Stockbridge Street was entirely resurfaced and widened as much as possible. These two pieces of work were taken care of by special appropriations.

Due to the work on the new state road an unusual amount of heavy trucking has gone on over Beechwood and King Streets. Much damage has been done and these roads will need special attention in the spring.

I have asked for sufficient money in the general appropriation to cover the purchase of a new road scraper and a patching mixer. Our two machines have been used about fifteen years and are worn out.

Realizing the critical conditions of the times, I have tried to be as fair in my distribution of work as possible. Men of all trades and professions have found it necessary to turn to this department for work. There have been so many hundreds of applicants that it has been necessary, during parts of the year, to list the men, limiting them to two or three days each and as soon as the end of the list was reached to re-hire them.

I should like to express here my sincere appreciation to the other town officers for their cooperation and to the voters for their helpful criticism and suggestions.

GEORGE JASON,

*Highway Surveyor.*

December thirty-first.

GEO. W. COLLIER.

Cohasset, January 7, 1933.

## REPORT OF THE DIRECTORS OF THE PAUL PRATT MEMORIAL LIBRARY

The Directors present herewith their annual report for the year ending December 31, 1932.

The gain in circulation of books continues to increase as well as the increase in the number of books in the library, the latter increase necessitating an enlargement of the card catalogue in the rotunda, space for which was provided when the building was erected.

The interest of the school children in the state reading lists is maintained and state certificates have been awarded to a number of pupils.

The reports of the Treasurer of the Board and the Librarian, giving details of expense and operation are subjoined.

Respectfully submitted,

GEORGE W. COLLIER, *President*,  
FRED V. STANLEY, *Treasurer*,  
EDWARD NICHOLS, *Clerk*,  
WILLIAM H. McGAW,  
HERBERT L. BROWN,  
FREDERIC J. GAULD,  
EDWIN T. OTIS.

## REPORT OF THE LIBRARIAN OF THE PAUL PRATT MEMORIAL LIBRARY FOR THE YEAR ENDING DECEMBER 31, 1932

### *To the Board of Directors:*

I herewith submit my report for the year ending December 31, 1932.

This year we have had the largest circulation since 1925; an increase of nearly 5,000 over last year. We try to supply all non-fiction as requested, either from our library or by borrowing through the "Inter-Library-Loan" from Boston and Quincy. Suggestions for new books are gladly received and are proposed at the monthly meetings of the Book Committee.

Library Book Week was observed with an attractive display of children's new books and a printed list for distribution, followed by a Thanksgiving story hour.

We were fortunate to secure the services of Marguerite Albertson Ripley for our Christmas story hour, on Dec. 17th. The Librarians as well as 38 children enjoyed the stories which illustrated the true spirit of Christmas.

The school grades, beginning with the fourth, have been reading from the State lists. Twenty-six have already received their certificates.

I have attended the meetings of the Massachusetts Library Club and the Round Table of Children's Librarians; at the latter, we not only see new books, but meet some of the interesting authors.

The Library gratefully acknowledges gifts of books from the following persons:—Mrs. Joseph S. Bigelow, Mr. William J. Anderson, Mrs. Earle Higgins, Miss Mary C. Sears, Mr. W. DeFord Bigelow, Mr. D. Bruce McLean, Mr. Edwin Emerson, and the Regent of the Col. Thomas Lothrop Chapter, D. A. R.

The statistics for the year are as follows:—

## CLASSIFIED CIRCULATION

	<i>Main Library</i>		<i>Beechwood Branch</i>	
	<i>Adult</i>	<i>Juvenile</i>	<i>Adult</i>	<i>Juvenile</i>
General Works . . . . .	1,989	377	234	130
Philosophy and Religion . . . . .	363	38	5	1

**BY-LAWS**  
  
of the  
  
**TOWN OF COHASSET**

**ARTICLE 1**

**GENERAL PROVISIONS**

*Section 1.* These By-Laws shall be known as the "Code of By-Laws of 1933 of the Town of Cohasset." So far as the provisions hereof are the same in effect as those previously existing, either by By-Law or by vote of the Town, they shall be construed as a continuation of such By-Laws or votes. All other By-Laws and votes of the Town heretofore in force and inconsistent herewith are hereby repealed, provided, however, that such repeal shall not apply to or affect any vote accepting or adopting the provisions of any Statute of the Commonwealth.

*Sec. 2.* In considering these By-Laws the following provisions shall apply unless their observance would involve a construction inconsistent with the manifest intent of the votes repugnant to the context of the By-Law.

(a) The repeal of a By-Law shall not revive any By-Law in force before or at the time when the By-Law repealed took effect.

(b) In all the By-Laws of the Town, the words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:

The words "public way" shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square dedicated to public use.

(c) Words purporting to give joint authority to a board

or committee shall give authority to a majority of such board or committee; the word "person" shall include corporations; words importing the singular number shall apply to the plural number, and words importing the masculine gender shall apply to the feminine gender.

#### REPEAL, AMENDMENT AND ENFORCEMENT OF THE BY-LAWS

*Sec. 3.* When in a By-Law anything is prohibited from being done without license or permission from a certain officer, board or commission, such officer, board or commission shall have the power to license or permit such thing to be done unless otherwise provided by law or by some By-Law.

*Sec. 4.* Whoever violates any By-Law of the Town whereby any act or thing is enjoined, required or prohibited, shall forfeit and pay for each offense a fine not exceeding twenty dollars unless some other penalty is expressly provided by law, or by some By-Law of the Town.

*Sec. 5.* Any and all By-Laws of the Town may be repealed or amended or other By-Laws may be adopted by a majority vote at any annual or special town meeting, provided an article containing the subject matter of the proposed change has been inserted in the warrant for such meeting.

*Sec. 6.* These By-Laws shall take effect from and after their publication.

## ARTICLE 2

### TOWN MEETING

*Section 1.* The annual Town Meeting shall be held on the first Saturday in March in each year at 2:00 P. M. The meeting for the election of officers shall be held on the 2nd Monday following in March; the polls shall be open at six o'clock A. M. and they shall remain open until six P. M. or until such further time as the meeting may vote.

*Sec. 2.* Notice of every annual Town Meeting shall be given

by posting attested copies of the warrant for such meeting at each of the Post Offices in the Town, and in not less than five other public places in the Town, not less than seven days before the day appointed for such meeting.

*Sec. 3.* In addition to the legal notification required by the foregoing section, the Selectmen shall cause to be left at each dwelling house in the Town a copy of the warrant for every annual Town Meeting, at least five days before the **time** named in the warrant for holding said meeting.

*Sec. 4.* Notices for every Special Town Meeting shall be given by posting attested copies of the warrant, as specified in Section 2, and in addition thereto a copy of the warrant printed in some convenient form shall be sent by mail to each legal voter of the Town, at least five days before the day appointed for said meeting.

*Sec. 5.* Any article inserted in the warrant for a Town Meeting under which an appropriation of money may be made, other than the ordinary annual appropriation, shall have appended to such article the name of the first person signing such request and the words "and others."

*Sec. 6.* The warrant for the Annual Town Meeting shall close thirty days before the time of holding said meeting. Copies of all articles in the warrant for annual or special town meetings involving the expenditure of money shall immediately be forwarded by the Selectmen to the Finance Committee for their consideration.

*Sec. 7.* The number of voters necessary to constitute a quorum at a Town Meeting for the transaction of business shall be two hundred, except for a motion to adjourn for which no quorum shall be required; provided, however that no vote carrying the expenditure or appropriation of any sum of money, shall be held to be invalid by reason of lack of the required quorum, unless it appears from the records of the Town Clerk of the meeting that before the result of such vote was declared the question of the presence of a quorum was duly

raised and that such record shows that the required quorum was lacking.

## RULES FOR GOVERNMENT OF TOWN MEETINGS

*Sec. 8.* The Moderator, while occupying the chair, shall not participate in any discussion before the meeting.

*Sec. 9.* Every voter speaking upon a subject in any meeting shall confine his remarks to the question before the meeting, avoid personalities, and be seated when he has finished.

*Sec. 10.* Every person desiring to speak shall arise, address the chair, and on obtaining recognition, shall stand, while speaking, unless the Moderator otherwise directs.

*Sec. 11.* No person, without first obtaining leave of the meeting shall speak on any subject a second time for more than five minutes if other citizens who have not spoken on the subject desire to speak.

*Sec. 12.* No person shall speak more than twice upon any question except to correct an error, or to make an explanation, without first obtaining leave of the meeting, nor until others who have not spoken upon the question, shall speak if they so desire.

*Sec. 13.* When a question is put (in case only a majority vote is required) the sense of the meeting shall be determined by the voices of the voters, and the Moderator shall first announce the vote as it appears to him by the sound. If the Moderator is unable to decide by the sound of the voices, or if his announcement is thereupon doubted by seven or more voters rising in their places for that purpose, the Moderator shall without debate determine the vote by ordering a hand vote and he may appoint tellers to make and return the count, or he may order a poll of the meeting.

*Sec. 14.* The vote on any motion, provided the meeting so orders, shall be taken by a "Yes" and "No" ballot with the use of the check list or by a poll of the meeting.

*Sec. 15.* When a motion is readily susceptible of division it shall be divided and the vote upon each part taken separately, provided the Moderator deems best or seven voters present so request.

*Sec. 16.* When a question is under debate, motions shall be received to adjourn, to lay on the table, the previous question, to postpone to a certain time, to commit, or to amend; which several motions shall have precedence in the order stated. The first three shall be decided without debate.

*Sec. 17.* A motion to reconsider any vote must be made before the final adjournment of the meeting at which the vote was passed, but such motion to reconsider shall not be made at an adjourned meeting unless the mover has given notice of his intention to make such motion at the session of the meeting at which the vote was passed. There can be no reconsideration of a vote once reconsidered, or after a vote not to reconsider.

Nothing contained in this section, however, shall prevent or be construed as preventing the reconsideration or rescission of any vote at a subsequent town meeting duly called and containing a proper article for the purpose.

*Sec. 18.* Any voter may appeal from the decision of the Moderator and when properly seconded by seven or more voters, no other business, except a motion to adjourn or lay on the table, shall be in order until the question of appeal has been decided. The question shall be decided without debate and by a hand vote, and shall be put as follows:—"Shall the decision of the Moderator stand as judgment of the meeting?" and it shall be decided in the affirmative unless a majority of the votes are to the contrary.

*Sec. 19.* The duties of the Moderator, and the government of the Town Meeting, not specially provided for by law, shall be determined by the rules of practice contained in Cushing's Manual, so far as they are adapted to the condition and powers of the Town, and are not inconsistent with law and the By-Laws of the Town.

## ARTICLE 3

## TOWN OFFICERS

*Section 1.* All the officers of the Town shall turn over to their successors in office at the expiration of their term of office, all books, papers, documents, or other properties in their custody belonging to the Town, and all departments shall turn over to the Town Clerk all books, papers and documents belonging to the Town and not necessary for the immediate use of the respective departments, and these shall be deposited in the Town vaults.

*Sec. 2.* Each department of the Town, except the Board of Assessors, shall annually on or before the first day of April, render a complete list of all Town property, both real and personal, under its control, to the Selectmen, together with the description of said property and its estimate of the replacement value thereof. Each department shall further, forthwith upon the purchase or acquisition of any property, render a statement in writing to the Selectmen, fully describing the same, with the replacement value thereof.

*Sec. 3.* The reports of all boards, committees or officers which are to be printed in the annual report of the Town shall be delivered to the Selectmen not later than January 31st in each year.

## ARTICLE 4

## SELECTMEN

*Section 1.* The Selectmen shall have the general direction and management of the property and affairs of the Town in all matters not otherwise provided for, so far as permitted by law.

*Sec. 2.* The Selectmen may appear, either personally or by Town Counsel or by Special Counsel duly employed by them before any Court, Committee of the Legislature, or any Federal, State, or County Board of Commissioners, or other tribunal to protect the interests of the Town, but they are not

authorized hereby to commit the Town to any course of action. They shall have authority as agents to institute, prosecute and defend suits and claims against or involving the interests of the Town, and to settle same where the settlement does not exceed \$300. when, in their judgment upon advice of counsel, such settlement is for the best interests of the Town.

*Sec. 3.* The Selectmen shall have the right to sell any personal property of the Town after same has been properly appraised by a competent person. If the appraisal of any such property exceeds the amount of \$100 the property shall be sold at public auction. All moneys realized from any or all sales shall be turned over to the Town Treasurer.

*Sec. 4.* The Selectmen may, in their discretion, order numbers to be affixed to or painted on the buildings on any street. The owner of every such building shall comply with said order within sixty days thereafter. The Selectmen shall within ten days from the date of any request, designate to the owners, the numbers to be affixed to the buildings owned by the person or persons making such request.

*Sec. 5.* The Selectmen and their successors in office may assign any tax titles held by the Town, and may sell at public or private sale any of the property which the Town may have acquired or may hereafter acquire through proceedings based on non-payment of taxes or under proceedings for the sale of lands of low value, and may impose upon the property so sold such restrictions, reservations or conditions as shall seem expedient, and may execute and deliver in the name and under seal of the Town quit claim deeds or other instruments therefor.

*Sec. 6.* The Selectmen shall have the power to rent all Halls, and other property of the Town under their jurisdiction, for any lawful purpose provided, however, that at all times such renting shall be subject to the use by the Town for Town purposes.

*Sec. 7.* The Selectmen as agents of the Town, shall keep insured against loss or damage or fire, all insurable property of

the Town, both real and personal, except such as relates to schools, which shall be kept insured by the School Committee.

*Sec. 8.* The Selectmen shall cause to be printed and ready for distribution at least seven days before the Annual Town Meeting, a report giving detailed statement of the receipts and expenditures of the Selectmen, Treasurer, Collector, School Committee, Board of Public Welfare, and all other Town officers, boards or committees, who have had the charge or expenditures of Town funds for the financial year immediately preceding. Said report shall also contain the Town Clerk's report of the births, deaths and marriages, the record of the Town Meetings held, and the reports to the Selectmen of all official boards, committees or Town officers, library trustees and librarian during the preceding year. Each quinquennial valuation of estates made by the assessors, or an abstract thereof, shall be printed with the Selectmen's Report for the next year after the same shall have been made. The Selectmen shall cause to be left at each dwelling house in the Town a copy of said Report at least five days before the Annual Town Meeting.

*Sec. 9.* Whenever it is necessary to execute a deed or other instrument conveying any interest in land belonging to the Town, other than a tax deed, unless it is otherwise provided by law, or by vote of the Town, such deed or instrument shall be executed in behalf of the Town, by a majority of the Selectmen and it shall be sealed with the Town Seal.

## ARTICLE 5

### TOWN CLERK

*Section 1.* The Town Clerk, as soon as possible after a vote of the Town has been passed which relates to or affects the duties of any board, committee or officer of the Town, shall furnish a copy of such vote to such board, committee or officer.

*Sec. 2.* The Town Clerk shall promptly cause to be notified in writing each officer or each member of every committee who may be elected or appointed at any Town Meeting or in pur-

suance of any vote thereof. Such notice shall contain a copy of the vote creating the committee and the names of all members of such committee.

*Sec. 3.* The Town Clerk shall immediately after every Town Meeting, furnish the Accountant and the Treasurer with a statement of all moneys appropriated by the Town at such meetings; and of the purpose for which moneys were respectively appropriated.

*Sec. 4.* The Town Clerk shall see that every conveyance to the Town of any interest in land, except as otherwise provided by law, is duly recorded in the proper registry therefor, and he shall have the custody of all such recorded instruments after the same are ready for return from the registry. He shall keep in a book devoted to that purpose alone, true copies of all conveyances executed and delivered by the Town of any interest in land.

*Sec. 5.* The Town Clerk shall on or before the tenth of January prior to each Annual Town Meeting, notify in writing the chairman of any committee which has made no report to the Town since the last annual meeting that some report will be expected at the coming Annual Town Meeting.

*Sec. 6.* The Town Clerk shall provide and have in readiness for use at Town Meetings a sufficient supply of "Yes" and "No" ballots; these ballots shall not be distinguishable from each other in size, shape, color, paper, or ink, or in size and style of type.

*Sec. 7.* Whenever any report of any board or committee is presented to the Town, and its recommendations are adopted, the clerk shall cause to be entered upon the regular record of the meeting such portions of the report only, if any, as may be necessary for the understanding of the action taken by the Town, and unless the report has been printed in full in the Town Report he shall cause it to be entered in full, in a book provided for the purpose, which shall be called the Book

of Reports. The Book of Reports shall be duly indexed. The reports shall be numbered for each municipal year in the order of their presentation, and a marginal reference shall be made to the date of the meeting at which the report was presented. The regular record of the meeting shall also make reference to the number of the report as entered in the Book of Reports.

## ARTICLE 6

### TAX COLLECTOR

*Section 1.* The collector shall pay the treasurer each week, all money received during the preceding week.

*Sec. 2.* The collector of taxes shall hold no other elective Town Office.

## ARTICLE 7

### TREASURER

*Section 1.* The Treasurer shall have the custody of all receipted bills, notes, bonds and other vouchers for his payments.

*Sec. 2.* The Treasurer shall hold no other elective Town office.

## ARTICLE 8

### TOWN ACCOUNTANT

*Section 1.* The Selectmen shall appoint a competent accountant every three years, who shall keep a complete set of books, wherein shall be entered the amount of each specific appropriation and each amount that has been expended on account of such appropriations; and shall, when any appropriation has been wholly expended, immediately make a report of the fact to the Selectmen and to the head of the department under whose direction the work for which the appropriation was made is carried on.

## ARTICLE 9

## TOWN COUNSEL

*Section 1.* The Board of Selectmen shall each year within thirty days after the annual election of Town officers appoint some attorney-at-law as Town Counsel, who shall serve for the term of one year or until his successor is appointed.

*Sec. 2.* The Town Counsel shall draw, supervise the drawing or approve all contracts, deeds, bonds and other legal instruments relating to the Town; he shall give legal advice and furnish a written opinion when so requested by any Town officer, board or committee, regarding any legal question or matter relating to the duties of such officer, board or committee, and no officer, board or committee shall at the expense or in behalf of the Town employ or be represented by any other than the Town Counsel, except as provided in Article 4, Section 2 of these By-Laws.

*Sec. 3.* The Town Counsel shall as soon as possible after receiving notice from the Chief of Police, Selectmen or otherwise, of any injury to person or property, under circumstances which may give rise to a claim of damages against the Town, make a thorough investigation relative thereto and with the approval of the Selectmen, take such steps as may be deemed necessary to protect and defend the Town against such claim.

*Sec. 4.* The Town Counsel shall prosecute or defend all civil cases and proceedings to which the Town is a party.

## ARTICLE 10

## INSPECTOR OF WIRES

*Section 1.* There shall be an Inspector of Wires appointed annually by the Board of Selectmen in accordance with Chapter 166, Section 32, of the General Laws.

*Sec. 2.* The installation and maintenance of all wires shall be under the supervision of the Inspector of Wires, and all wires and structures supporting or carrying the same, and all

devices connected thereto shall be in accordance with the then latest edition of the National Electrical Code or the "National Electrical Code" and such other rules and regulations as are necessary in order to prevent or abolish any hazardous condition.

*Sec. 3.* Every corporation or person proposing to place wires designed to carry a current of electricity for light, heat or power purposes within a building shall give notice thereof to the Inspector of Wires before commencing any work. This notice shall indicate the general character of the proposed installation and the number, rating and kind of current consuming devices to be connected. Upon receipt of such a notice a permit for the commencement of the work as described shall be issued by the Inspector of Wires if all legal requirements have been observed.

*Sec. 4.* No person, firm or corporation shall connect to any source of electrical supply any wiring to be used for the distribution of electricity for light, heat or power purposes until written permission to do so has been given by the Inspector of Wires.

*Sec. 5.* Whenever, in the opinion of the Inspector of Wires, any electrical conductors or appliances used for the distribution or consumption of a current of electricity for light, heat or power purposes are in a dangerous condition, he is hereby authorized to cause the current to be shut off if the existing defect is not remedied within a reasonable time after written notice has been given to the owner or user of such defective conductor or appliance.

*Sec. 6.* Any person aggrieved by the refusal of a permit or by an order, requirement or direction under this Article, insofar as they may apply to the installation of wire within a building or structure, may, within ten days from the date of such refusal, order, requirement or direction, appeal therefrom to the Selectmen.

After notice given to such parties as the Selectmen shall

order, a hearing shall be held and the Board shall affirm, annul or modify such refusal, order, requirement or direction. If the refusal, order, or decision of the Inspector of Wires is confirmed, the ruling of the Inspector of Wires shall be final. If the action of the Inspector of Wires is modified or annulled, the Inspector of Wires shall issue a permit or order in accordance with the decision of the Selectmen, provided, however, that no decision shall be made by said Selectmen that will modify the requirements of any general laws in regard to wiring of buildings or permit any change contrary to the requirements of the National Electrical Safety Code.

## ARTICLE 11

### SEALER OF WEIGHTS AND MEASURES

*Section 1.* The Selectmen shall annually appoint a Sealer of Weights and Measures, who shall account for and pay into the treasury of the Town, all fees received by him by virtue of his office, his salary to be in full payment for all services rendered as Sealer of Weights and Measures.

## ARTICLE 12

### GENERAL COMMITTEES

*Section 1.* All committees except as otherwise provided by law or by By-Law or by vote of the Town, shall be appointed by the Moderator as soon as may be after the passage of the vote creating the committee. If a committee is chosen by nominations from the floor, no person shall nominate more than one member of such committee.

*Sec. 2.* Unless otherwise provided, the first named member of a committee shall immediately call all members of the committee together for the purpose of organization, and each committee shall thereafter proceed with its duties and report to the Town as promptly as possible, and unless it is sooner discharged, it shall make a report at the next annual meeting. All members of a committee which fails or neglects to make a report at such

annual meeting, shall by such failure be held to have resigned and without further action or vote new members shall be appointed by the original appointing power, unless other action is taken by express vote of the meeting.

*Sec. 3.* All committees to whom any matter which requires a public hearing is referred by the Town, shall give a public notice thereof, stating the time and place of such hearing.

*Sec. 4.* A vote to accept a report of a committee (except a report of progress) shall unless otherwise provided discharge the committee, but it shall not operate as an adoption of the recommendations of such report without an express vote duly passed to that effect.

*Sec. 5.* All reports of committees, except reports of progress, shall be in writing and shall be permanently filed for preservation with the Town Clerk, and if the Selectmen deem best, or the Town so votes, the report of any committee may be published as a part of the next Annual Town Report.

## ARTICLE 13

### FINANCE COMMITTEE

*Section 1.* There shall be a committee called the Finance Committee which shall consider all municipal questions involving the appropriation of money and shall make recommendations thereon to the Town.

Such committee shall consist of nine members who shall be voters, who shall serve without pay (none of whom during their service on such committee shall hold any other regular, elective or appointive Town Office). Said committee shall be appointed as provided in the following section.

*Sec. 2.* The Selectmen for the time being in office shall within thirty days after this By-Law becomes effective by adoption, approval and publication, as required by law, appoint such nine members to serve upon such Finance Committee, three of whom shall be appointed for terms to expire on the final

adjournment of the annual Town Meeting held for the first year ensuing after the date of such appointment; three of whom shall be appointed for terms to expire on the final adjournment of the annual Town Meeting held for the second year ensuing after the date of such appointment, and the remaining three shall be appointed for terms to expire on the final adjournment of the annual Town Meeting held for the third year ensuing after the date of such appointment, and annually after the adoption of this By-Law the Selectmen shall, within thirty days after final adjournment of each annual Town Meeting, appoint three members, each to serve for terms to expire on the final adjournment of the annual Town Meeting held for the third year ensuing after the date of such appointment.

*Sec. 3.* The Finance Committee shall, as soon as possible after the annual appointment of new members to the committee has been made, meet for the purpose of organization. They shall elect from their membership a chairman and a secretary, who shall hold office until the final adjournment of the next annual Town Meeting, or until their successors are elected.

The committee may from time to time make such rules and regulations with reference to their meetings and the conduct of their work as they may deem for the best interests of the Town, and they may also hold public meetings and call any Town Officer, employee, citizen or person to attend, and to give such information as he may have, which will assist the committee upon any public matter coming before it for consideration.

Five members of the Finance Committee shall constitute a quorum thereof.

All boards and officials to whom it may apply shall conform to Chap. 41, Sec. 59 of the Gen. Laws and the Finance Committee shall call various boards and officers to appear before them at such times and places as said committee may appoint for a conference upon appropriations and/or estimates.

*Sec. 4.* The Finance Committee shall hold hearings upon all articles involving the appropriation of money and shall notify

the persons whose names appear attached to the same, of the time and place of hearing thereon.

*Sec. 5.* Whenever a vacancy occurs in the appointed members of the Finance Committee, notice thereof shall at once be given to the Town Clerk who shall thereupon notify the Selectmen, who shall forthwith fill such vacancy.

## ARTICLE 14

### FINANCIAL

*Section 1.* No board, committee or officer having charge of any work, the payment for which is in any part to be contributed by private citizens, shall undertake said work until a sum, sufficient to cover the payment of the portion of said work chargeable to such private citizens, has been deposited with the Town Treasurer, upon an estimate made by such board, committee, or officer.

*Sec. 2.* All of the accounts of the Town shall be audited annually under the supervision of the Director of Accounts, Department of Corporations and Taxation, in accordance with the provisions of Section 35, Chapter 44, General Laws.

*Sec. 3.* All Town Officers shall make out their bills for all charges that they personally have against the Town, up to the 31st day of December of each year, and present the same forthwith.

*Sec. 4.* All contractors doing work for the Town where the amount involved is in excess of one thousand dollars, shall furnish a bond to guarantee the faithful performance of the contract and specifications.

## ARTICLE 15

### CEMETERIES

*Section 1.* The Town will accept and forever hold in trust any money or securities which may hereafter be deposited with

the Town Treasurer for the perpetual care, preservation, improvement or embellishment of any public or private burial place, or any lots or graves therein, agreeably to the provisions of the statutes of the Commonwealth.

*Sec. 2.* The Town Treasurer is authorized to enter into agreement in behalf of the Town with the holders of burial rights in any lot in the cemeteries of the Town to keep forever such lot, and the structures and grass thereon, in good and neat condition, so far as the same can be done by an expenditure not exceeding the income from any sum of money, or not exceeding the income from any securities, which such holder may have deposited with the Town Treasurer for said purpose.

*Sec. 3.* Money and securities received under the provisions of the preceding section shall not be mingled with other money or securities of the Town, but shall be kept and invested separately as a cemetery fund, and unless otherwise specifically provided for in the terms of the gift, the income only shall be used.

## ARTICLE 16

### POLICE REGULATIONS

*Section 1.* No person shall coast upon a sled or other vehicle in or through any of the public streets, ways or sidewalks of this Town, except it be on such streets, ways or sidewalks as are publicly announced as permitted by the Selectmen.

*Sec. 2.* No person shall, without first having obtained written permission from the Selectmen, obstruct for more than five minutes, a public street or sidewalk by placing or causing to be placed therein any articles or thing whatsoever.

*Sec. 3.* No person shall stand in any public street for the purpose of hawking or selling any article, or for the exercise of any business or calling, after being requested to desist therefrom by any police officer of the Town.

*Sec. 4.* No person shall remain upon a sidewalk in such a manner as to obstruct the free passage of foot travelers, after being requested to move on by a police officer of the Town.

*Sec. 5.* No person shall drive or pass with a vehicle of any kind upon any sidewalk in the Town, provided that this shall not affect the right of any person to cross any sidewalk in entering or leaving private premises. No person shall draw, propel, wheel on any sidewalk of the Town, any handcart or other vehicle, except children's carriages, invalid chairs or sleds drawn by hand.

*Sec. 6.* No person shall behave in a disorderly manner, or use any obscene, profane or indecent language in any public street or place in the Town; and no person shall, without right, stand or remain upon a wall or fence or upon any door-step or other projection from a house or other building, so as to annoy or disturb any person, or obstruct any passage to or from such house or building, after having been requested by a police officer of the Town, or by the owner or occupant of any such building, to depart and stay therefrom.

*Sec. 7.* No persons, except the Selectmen and other officers of the Town in the lawful performance of their duties, or acting under their orders, shall obstruct any sidewalk or street, or any part thereof without first obtaining a written permit from the Selectmen therefor; and the persons holding such permit shall put, and at all times keep, a suitable railing around the parts of any sidewalks or street so obstructed or dug up, as long as the same shall be unsafe or inconvenient for travelers; and shall also keep as many lighted lanterns fixed to such railing or fence every night from twilight in the evening through the whole night as the Selectmen shall direct.

*Sec. 8.* No person shall leave any wagon, cart or other vehicle, wood, coal or other articles in any street, way or sidewalk, and suffer the same to remain overnight without maintaining a sufficient light over or near the same through the night to prevent injury to travelers.

*Sec. 9.* No person shall permit any horse, cattle or swine under his care to go upon any sidewalk, or permit any grazing animal to pasture in any public way, or suffer any horse to remain hitched across any sidewalk, so as thereby to cause any injury either to person or property of others, or to obstruct the safe and convenient passing of persons.

*Sec. 10.* No person shall ride any horse or drive any horse or horses attached to a vehicle of any description, in or upon any street or way for public travel at such an immoderate rate of speed as to endanger or expose any person to injury or inconvenience.

*Sec. 11.* No person shall by any means or in any manner wilfully frighten any horse or play at any game in which a ball is used, or shoot with bows and arrows or throw stones or other missiles, in any street or on any sidewalk.

*Sec. 12.* No person shall, unless by leave of the Town officers having charge of the repairs of the highway, throw or deposit in any street or on any sidewalk any ashes, dirt, rubbish, or filth of any kind, or any animal or **vegetable substance**, excepting such material as may be used to prevent slipping.

*Sec. 13.* No person shall make any indecent figures or write any indecent or obscene words upon any fence, building or structure in any public place or commit a nuisance upon any sidewalk or against any tree, building or structure adjoining the same.

*Sec. 14.* No unauthorized person shall handle or in any way interfere with apparatus, machinery or fixtures belonging to the fire department, or with any signal boxes, wires, poles, or other thing connected with the fire alarm system. This section does not forbid the ringing of an alarm in case of fire.

*Sec. 15.* No person, except Town officers, constables and police officers, shall enter into or remain in any hose house or other building occupied by the fire department without the permission of the Chief of the Fire Department.

*Sec. 16.* No person shall keep any dog which by biting, barking, howling, or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

*Sec. 17.* No Person shall go from house to house within the town, begging or soliciting alms or contributions for any person, cause or organization without having first recorded his name and address with the Chief of Police and furnished such other information as may be requested of him. The Chief of Police shall thereupon, if satisfied of the honesty of the applicant, issue a permit which shall state that said person has duly registered and is entitled to go from house to house for the purpose specified.

*Sec. 18.* No person shall sing, play on or operate any musical instruments in any public way, or solicit, or receive compensation therefor from bystanders or the public, without first having obtained a license from the Selectmen, who are hereby empowered to grant such licenses, with such restrictions as they may deem necessary.

*Sec. 19.* No person shall harangue or address the public in any public way, or solicit or receive compensation therefor, without first having obtained a license therefor from the Selectmen, who are hereby empowered to grant such licenses, subject to whatever restrictions they may deem necessary.

*Sec. 20.* No person shall distribute papers, circulars or advertisements through the Town in such manner as to create a disturbance or litter, without first having obtained a license therefor from the Selectmen, who are hereby empowered to grant such licenses, subject to whatever restrictions they may deem necessary.

*Sec. 21.* No person shall bathe or swim in any public or exposed place in the Town without wearing a proper covering for the body.

*Sec. 22.* Whoever drops or lets fall or permits or allows

to drop or fall upon any highway or way of the Town, from any wagon, cart or vehicle, any piece of stone or granite, or other article of such a size or character as may endanger public travel, unless the same be removed immediately from the limits of the way or highway, shall be liable to a penalty of not more than \$20.00 for each offence.

*Sec. 23.* No person shall affix, post or in any way attach any poster, handbill, notice, advertisement, or placard, or paint, draw, or stamp any letter, notice, figure or advertisement upon, or otherwise deface any wall, fence, tree, post, building, or structure not his own located on any highway within the Town, except with the consent of the owner thereof.

## ARTICLE 17

### STREET REGULATIONS

*Section 1.* Any person who intends to erect, repair or take down any building on land abutting on any way which the Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such condition as the Selectmen may require; and especially, in every case, upon condition that lighted lanterns shall be so placed as effectually to secure all travelers from liability to come in contact with such building materials or rubbish.

*Sec. 2.* No person, except the Highway Surveyor, in the lawful performance of his duties, or those acting under his orders, shall make or cause to be made any excavation in a public street or way, for any purpose whatever, without having first obtained written permission from the Selectmen. When an excavation is made in a street for any purpose, the person or

persons by whom or for whom such excavation has been made, shall cause a rail or other sufficient fence to be placed so as to enclose such excavation and the dirt, gravel or other material thrown therefrom, and such fence shall be maintained the whole time that such excavation continues.

Such fence, excavation and material excavated shall be lighted by a lantern, lanterns or other proper and sufficient light, from the beginning of twilight throughout the whole of every night, during the entire time that such excavation or obstruction exists.

*Sec. 3.* Whenever the Selectmen or the Surveyor of Highways are about to construct or repair any street or way, the surface of which is paved with block or macadam or rolled, they shall before beginning the work give reasonable notice of such intention to the departments of the Town, to corporations liable to be affected thereby, and to all abutting owners having connections by drains or otherwise with structures in the street.

If any such parties have any work to be done in such public streets or ways, they shall consult and arrange with said Selectmen in order that such work may be done before the surface of such way is again prepared for and opened to the public travel. After such notice and opportunity has been given, no such parties shall for the space of one year break up, or disturb the surface of said street or way within the area so constructed and repaired, except in case of reasonable necessity, to be determined by the Selectmen.

*Sec. 4.* No person or persons shall remove or cause to be removed and carried, or assist in removing and carrying through any part of any street or public way in the town, any house, shop or other building, either in parts or a whole exceeding twenty (20) feet in height; and fifteen (15) feet in width, without a written permit from the Selectmen, and under the following restrictions and limitations: That the person or persons having the building removed, shall reimburse the Town by a sum of money that shall equal the cost of removing and

replacing electric wires and any other expense incurred by the Town in such removal.

## ARTICLE 18

### BILLBOARDS

*Section 1.* No person, firm, association or corporation shall erect, display or maintain, within the limits of the Town, a billboard, sign or other outdoor advertising device, except those exempted by Section 30 and 32 of Chapter 93 of the General Laws, or by any additions to, or amendments of said sections,—

(a) Within fifty (50) feet of any public way;

(b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same;

(c) Nearer than fifty (50) feet to any other such billboard, sign or other advertising device, unless said billboards, signs or other advertising devices are placed back to back;

(d) On any location at the corner of any public ways and within a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect;

(e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet;

(f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet;

(g) In any event if such billboard, sign or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Selectmen may permit the erection of billboards, signs or other advertising devices which do not exceed forty (40) feet in length and fifteen (15)

feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.

(h) No billboard, sign or other advertising device shall be erected, displayed or maintained in any block in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if the written consent of the owners of a majority of the frontage on both sides of the street in such block is first obtained and is filed with the Division of Highways of the Department of Public Works, together with the application for a permit for such billboard, sign or other advertising device.

(i) No billboard, sign or other advertising device shall be erected, displayed or maintained until a permit therefor has been issued by the Division of Highways of the Department of Public Works pursuant to the following provision: Upon receipt from said Division of a notice that application for a permit to erect, display or maintain a billboard, sign, or other advertising device within the limits of the Town has been received by it, the Selectmen shall hold a public hearing on said application in the Town, notice of which shall be given by posting the same in three or more public places in said Town at least one week before the date of such hearing. A written statement as to the results thereof shall be forwarded to the Division containing in the event of a disapproval of such application, the reasons therefor, within thirty days from the date of notice of the Town that an application for such a permit had been made. The provisions of (a), (c), (d), (e), (f) and (g) shall not apply to districts which the Selectmen may determine are of a business character.

This By-Law shall not apply to signs or other devices erected and maintained in conformity with law, which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the property itself or any part thereof as for sale or to let and which contain no other advertising matter and provided further that this By-Law shall not apply to billboards, signs or other advertising

devices legally maintained, at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this By-Law shall be punished by a fine of not more than one hundred (100) dollars, and whoever, after conviction for such violation, unlawfully maintains such billboard, sign or other outdoor advertising device for twenty (20) days thereafter shall be punished by a fine of not more than five hundred (500) dollars.

If any provision of this By-Law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this By-Law shall not be affected thereby

*Not a graduate		

## REPORT OF SCHOOL COMMITTEE

*To the Citizens of Cohasset:*

The reports of the Superintendent of Schools, Principals and Department Supervisors give in detail the work of the year.

Your Committee realizing that they should curtail expenditures, but still keep up the standard of the schools have made the following decisions.

### *I Reduction of Salaries*

We agree to cut salaries providing all other departments of the Town do the same.

### *II Reduction in Administration and Supervision*

a. Close the Beechwood School at the end of the present school year.

b. Arrange the school program so as to drop one teacher at the Osgood School and one at the Ripley Road School.

c. Drop the Department of Physical Education.

### *III Transportation*

Buy a large school bus, and have the manual training teacher drive the same.

This will do away with one bus we now hire.

### *IV Manual Training and Domestic Science*

Your Committee has considered this question, and the majority feels that they should be retained.

### *V Consolidation of Positions of Superintendent and Principal of High School*

Under the present program we will not make a change this year.

## *VI School Lunch*

The net cost of this department is \$1,165.88. We feel justified in maintaining it.

## *VII Repairs and Improvements*

All buildings are in good repair. Under a separate article we are asking for an appropriation of \$1,000 from the balance of the Second Ripley Road School Bond Issue to fill and grade the grounds in the rear of the Ripley Road School.

We are very sure that under this program we will not be taking anything from the child which is essential for his education, and we will not be overworking our teachers or supervisors.

In accordance with this program we have drawn up our budget. We ask for your cooperation.

School Committee .....	\$125.00
Superintendent .....	2,000.00
Supervisor of Attendance .....	100.00
Travel and Automobile .....	150.00

Respectfully submitted,

COHASSET SCHOOL COMMITTEE.

## REPORT OF SUPERINTENDENT OF SCHOOLS

*To the School Committee and Citizens of Cohasset:*

I herewith submit to your Committee and through you to the citizens of Cohasset the annual report of the Superintendent of Schools. Included are the reports of the principals and special teachers.

During the year 1932 there were no changes in the personnel of the teaching force. This is due largely to two reasons, first a large number of changes the year before, and second, the present economic depression has compelled the postponement of contemplated marriages. The work in the schools has not been interrupted by the adjustment of new teachers as is sometimes the case. We have a good corps of teachers and the result of their teaching is gratifying.

The enrollment in the schools is some forty more than one year ago. The Ripley Road School has a larger first grade enrollment and a smaller sixth grade enrollment, the total in the building remaining about the same as the year before. The Osgood School has twenty-seven more pupils than last year, fifteen of these are in the seventh and eighth grades and twelve in the high school.

The per cent attendance has been good; in the grades 93%, as high as at any time in ten years; and in the high school 94%, which was exceeded in 1925 and 1926 only.

Our schools have been conducted on the same program as last year. Because of the economic stress every effort has been made to keep expenditures down to the lowest point without decreasing the efficiency. As a result we are turning back to the Treasury a balance of \$1,583.31, which would have been \$1,972.10 had there not been a large number of pupils attending the trade schools of Weymouth and Quincy.

## Retrenchment

Your Committee and Superintendent realizing full well the stress that is placed upon the taxpayer have considered possible ways of reducing the cost of the schools without reducing the essential needs of the pupils.

Your Committee has considered whether or not it would be wise to dispense with the services of the present Superintendent of Schools and combine this position with that of the Principal of the high school. This has not met with the approval of the majority of the Committee. It would mean that a teacher would have to be employed to teach the classes now taught by the Principal, or there would be no supervision, and under these conditions the financial saving would be very small, if any.

For the past two years at the Ripley Road School the principal has been relieved of a class room. This seemed at the time a desirable thing to do, as we were adding additional classes to the building, and the principal had had little experience with the lower grades. It gave her an opportunity to study the work of all six grades and give help where it was most needed. It did, however, materially increase the overhead of the schools.

Now that the principal has had this opportunity to become well acquainted with the work of all the grades, we feel that the efficiency of the building will not be decreased if she again takes charge of a class room in addition to her duties as principal. The second grades will be large next September, so that it will be impossible to combine some of the second and third grade pupils in a room as we have been doing. The third grade will have an enrollment of fifty-five pupils. It will therefore be necessary to have two third grade rooms. We could have twenty-eight in one room and twenty-seven in the other, but by giving Miss Wing thirty-five, a room of twenty can be taught by Miss Brown without interfering with her duties as principal. The three lower grades do not convene until after the upper grades and they close earlier, so the principal will be free to oversee the building before and after taking up her work with the class. Then too, special duties can be assigned to the regula-

teachers as has always been done previous to the past two years.

The Committee has decided to close the Beechwood School temporarily this June. The pupils can be cared for in the first and second grade rooms at the Ripley Road School, thus saving the salary of a teacher and janitor and the cost of fuel for the building.

The Committee have decided not to employ a teacher of Physical Education after the end of the school year in June. The law provides that both indoor and outdoor games, and physical instruction shall be a part of the school program, but does not specify that this work shall be done by a special teacher. The work must continue, but under the regular teachers. We are sorry to lose the services of Miss Brooks, who has given whole-hearted service to the schools under adverse conditions. The lack of gymnasium, showers, and suitable athletic field has been a great handicap in her work.

The number of pupils three years or more retarded next year will be considerably less than the ten which require a special class. The special class, therefore, will be discontinued in June, and the few special cases will be cared for in the regular classes. The time now devoted to this group will be given the regular classes.

On the following pages the class enrollment and teaching periods of the teachers in the Osgood School appear. It will be observed that in the high school there are a large number of very small classes, taught by well-trained, well-paid teachers. It has been the policy of the Town to have a high school that in addition to general training would send pupils to any college well prepared for the work. The graduates of our high school who have attended Harvard, Technology, and Boston University have gone well prepared. However, the preparation in these small classes is expensive. The third year French class has four pupils. This means that it costs \$75 per pupil a year to teach third year French. The class in third year Latin has three pupils only, costing \$100 per year each for this subject. The class in second year French has six pupils, costing \$50 each.

There are nine classes in high school having ten or less pupils. These are expensive classes to teach. One class in English has 28 pupils, another has 30. In these classes it is costing eight dollars per pupil as compared to the \$100 in third year Latin.

We feel under the present conditions that some of these small classes must be eliminated. This can be done by teaching them in alternate years to the pupils of two classes.

Small classes result in a large number of pupils in study hall in some periods, thus requiring two study rooms at times instead of one. The principal has been in charge of study hall some fifteen periods per week this year. The use of a larger study hall and the combination of some classes will result in a saving of teaching hours in the high school, so that one of the present high school teachers can be released for an eighth grade home room and some eighth grade teaching. This and the elimination of the special class will result in a saving of one teacher in addition to the time of Miss Brooks, and the position made vacant by the resignation of Miss Bates who retires from active service this June will not be filled.

The following tabulation shows the room enrollment this fall and the distribution we would have next year, if the Beechwood pupils are transferred to the Ripley Road School, and a small third grade room placed in charge of the principal.

## Conclusion

We are now in the midst of the greatest depression experienced by the American people. A year ago we felt that it was just another in the cycle of depressions that periodically afflict us. We now know that this cannot be compared with those of the past. So many new factors enter the situation that we are beginning to feel that things can never be as they were before. We are afflicted with surpluses, too much raw material, too much finished material, too much potential energy, too much man power, and all because we have been too scientific, and too proficient. It is not lack of things we are suffering from, but lack of balance.

We are at the beginning of a new epoch in our social and industrial life. There are those of us who believe that the new era will bring greater comfort and greater happiness than our people have previously experienced. Our labor saving machines will not be scrapped, man will not be deprived of the fruit of his genius. Of this we are certain,—the American people in the future will be required to work less hours per individual than ever before. There will be no place in industry for the growing boy and girl to supplant men and women of maturity.

Herein lies a great danger. The idle boy or girl is the greatest menace that the future can place before us. Our greatest responsibility lies in directing the activities of the boy and girl over even a longer period than in the past, until they themselves are able to enter into gainful occupations. It is no time for society to say, "Let the parents care for their offspring, if they see fit to bring them into the world." The load is too great. The responsibility rests directly upon society which reaps the fruits of good citizenship and likewise the tares of misdirected energy.

It means more school work, not less, a prolongation of the period of directed thought. If there must be curtailment of this responsibility let it come in the early years of childhood, not in the period of adolescence. Prosperity is in a marked degree dependent upon education. In the five states expending the most for education, the average earnings is twice that of the average earnings in the five states that do the least for education. Restriction of education imperils democracy. Said Thomas Jefferson, "A free government cannot endure without a system of public education."

### President Hoover on Schools

On January 5, 1933, President Hoover, speaking at the opening session of the Citizens' Conference on the Crisis in Education, said as follows:

"Our nation faces the acute responsibility of providing a right-of-way for the American child. In spite of our economic, social and governmental difficulties, our future citizens must be built up now. We may delay other problems, but we cannot delay the day-to-day care and instruction of our children. . . .

"Our governmental forces have grown unevenly and along with our astounding national development. We are now forced to make decisions on the merits of the various expenditures. But in the rigid governmental economies that are requisite everywhere we must not encroach upon the schools or reduce the opportunity of the child through the school to develop adequate citizenship. There is no safety for our republic without

the education of our youth. That is the first charge upon all citizens and local governments.

"I have confidence that with adequate reduction of expenditures there can be ample amounts obtained from reasonable taxation to keep our school system intact and functioning satisfactorily. Those in charge of the schools must be willing to face conditions as they are, to cooperate in discarding all unnecessary expenditure, to analyze all procedures, and to carry forward on a solid basis of economy. But the schools must be carried on. . . .

"Above all, may I ask that throughout your deliberations you bear in mind that the proper care and training of our children is more important than any other process that is carried on by our Government. If we are to continue to educate our children, we must keep and sustain our teachers and our schools."

Respectfully submitted,

ORVIS K. COLLINS,  
*Superintendent of Schools.*

## REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

*Mr. O. K. Collins*

*Dear Sir:* The only change of any moment in the school organization during the past year has been the shortening of the school day by the dropping of the final afternoon period. In place of the above forty-five minute period, sessions for make-up work are held on Tuesday and Thursday afternoons until four o'clock. A bus delivers those pupils who remain to their homes. This plan seems to be quite desirable.

The spirit of the school group, both teachers and pupils has been excellent and this is a big factor in producing good educational results. Disciplinary problems have been at a minimum this past year.

I enclose below a list of 1932 graduates and of the entering class of September 1932. Three of last year's graduates have entered college (M. I. T., Simmons and Northeastern) and I am happy to say that the mid-term reports of their work from their respective colleges have been excellent. Five of the 1932 graduates have returned to school for additional commercial training.

Thank you, and the members of the Osgood School staff for whole-hearted cooperation at all times.

### Graduating Class 1932

Thomas Everett Brown	Dorothy Janet Jenkins
Jeannette Marie Deary	Mary Ann Kane
Mary Jean Dion	John Joseph Leonard
Anna Rita Dolan	Barbara Weston Lincoln
George Willard Flint, Jr.	Russell Elmer Marsh
Elizabeth Duff Forsythe	Walter Edward McAuliffe
Annie Madeline Jason	Jean Elizabeth Meyer

Laura Beatrice Monteiro  
 Flora Linnea Peterson  
 Kathleen Pauline Poland  
 John Jacob Pratt, Jr.  
 Josephine Elizabeth Rosano

Rosina Mary Rosano  
 Edward Everett Tower  
 Margaret Elizabeth Wilson  
 Mary Gunn Wilson

### Entering Class 1932

Barbara Adams  
 Barbara Ahearn  
 Henry Ainslie  
 Jonathan Barker  
 Louise Barker  
 Jean K. Bates  
 Clarence Brasill  
 David Brown  
 George W. Brown  
 Rose De Mello  
 Joseph De Vito  
 Margaret Donovan  
 Kathleen Goodwin  
 Thelma Goodwin  
 Harry Hetue  
 Yvonne Hetue  
 Vera M. James  
 Catharine Jason  
 Pauline Keating

Donald Le Clair  
 Barbara E. Lougelli  
 Tony Lougelli  
 John M. Lyons  
 Ruth H. Mansfield  
 Charles Marks  
 Laura McKay  
 Albert Morris  
 Dorothea Oliver  
 Lawrence Petersen  
 Clarence Reddy  
 John Riley  
 Welthea Stoughton  
 Ethelbert Thompson  
 Herbert Towle  
 June Wheelwright  
 Herbert Williams, Jr.  
 Dorothy Wood

Sincerely,

JAMES W. DOYLE,

*Principal.*

## REPORT OF THE PRINCIPAL OF THE RIPLEY ROAD SCHOOL

*Mr. O. K. Collins,*  
*Superintendent of Schools.*

*Dear Sir:* In June we promoted ninety-three per cent of the pupils in the Ripley Road School. This high percentage of promotion was accomplished by giving as much extra help as we possibly could to the children who found the required work of the grade difficult, and by planning our programs to meet the needs of the individual child in a more satisfactory manner than ever before. We recognize and respect the differences in each child, also the varying abilities present in a room of twenty-five to thirty-five pupils and are striving to treat each child as a distinct personality. That we are succeeding along this line is shown, I believe, by the large number of pupils who are promoted. It is as disappointing for a teacher to fail to promote a child as it is for a pupil and parents to accept that failure. A child repeats a year only when he has been unable to master the fundamentals of the grade after special help has been given to him, and when promotion means the loss of valuable essentials which cannot be secured in a higher grade.

This high rate of promotion has been possible without lowering our standards in any way. The work done by our children compares very favorably with that done in towns much larger than Cohasset and with cities which rank high in educational standards.

Respectfully submitted,

HELEN L. BROWN.

## REPORT OF THE SUPERVISOR OF MUSIC

*Mr. O. K. Collins, Superintendent of Schools*

*Cohasset, Mass.*

*Dear Mr. Collins:* During the past year music reading has maintained the standard set for our schools. Music reading and teaching of the fundamentals of music must always remain the chief factor in our music course. In making a survey I find 75% of the high school pupils possess the ability and enthusiasm to study choral works, of high standard. This, in comparison to other school systems, is an unusually high percentage and Cohasset schools are setting a standard in music which very few school systems can equal.

During the past year instrumental study has assumed larger proportions. Miss Quin our violin instructor, has a larger registration in class instruction than ever before. Her work is receiving favorable commendation from the community, and an exceptional opportunity is afforded the pupils to study the violin as a part of their music education.

We were fortunate to obtain the services of Mr. Donald Leach to teach trumpet, drum, and other brass instruments and at this time I report two classes in instruments at the Osgood School and several pupils taking the more intensive training through private study.

The instrumental work is growing every year and in time we will receive the benefit through a larger and more efficient orchestra.

This work is financed without expense to the school department and I hope in time it will be possible to engage these teachers as part of the music department, pay an annual salary and open instrumental study to the pupils free of charge. I do not hope to make such a recommendation for some time, yet it is a project I hope to realize sometime in the future.

Each year I report a spring concert, but for me to report such a program only tells the readers of this report that our pupils receive sufficient music education to present a choral Cantata of high standard. I ask all townspeople to attend our concert and hear and judge for themselves the progress made yearly.

I have used the word "standards" constantly in this report. That word is the keynote to all progress and now and in the future I shall persist in the endeavor to maintain a "standard" in music education.

I have but one more statement to make. Pupils from our high school who have gone to college and applied for Glee Club, orchestra, or band, have without exception been accepted, a record of which I am justly proud.

Without the loyal cooperation of all teachers our music could not advance, and to our teachers and principals, also superintendent and committee, I wish to give the larger share of credit for our music standard.

Sincerely,

FREDERICK A. TAYLOR.

## REPORT OF THE ART DEPARTMENT

*Mr. Orvis K. Collins,*

*Superintendent of Schools.*

*Dear Sir:* The Art Department of the Cohasset Schools has completed another busy year. Two exhibitions marked the close of the term in June, one held in the Primary School on June second which showed the work of the first six grades, and another at the Osgood School on the afternoon and evening of June ninth, showing the work of the seventh and eighth grades and the High School.

In the Ripley Road School I have taught the drawing in the fifth and sixth grades and have planned and supervised the work in the first four grades, teaching picture study also in all these grades. One and a half days a week are given to this work and the gratifying results are due in large measure to the splendid cooperation of Miss Brown and her teachers.

The seventh and eighth grades and the High School classes each have two periods a week of drawing and art appreciation. Through Mr. Doyle's careful planning, the ninth grade boys now have two periods a week of Mechanical Drawing and the tenth grade has one period. This gives about thirty-two boys an opportunity to get some ground work in this subject and some valuable training in straight thinking, an excellent background for training in many vocations.

In all of our work our aim is not to produce artists, for they are the exception, but it is to train all of our children to be intelligent consumers of art. We want them also to derive joy and culture from the expression of their ideas and from the creation and enjoyment of beautiful things.

Respectfully submitted,

FLORENCE E. KRAUS.

January 1, 1933.

## REPORT OF THE HOUSEHOLD ARTS DEPARTMENT

*Mr. O. K. Collins*

*Superintendent of Schools*

*Dear Sir:* I submit for your approval and acceptance a brief report of the Domestic Science department for the year 1932. The work of this department includes the teaching of cooking and sewing and the serving of a noon lunch, the greater part of which is prepared by an assistant.

The cooking department desires to teach the girls the preparation and serving of simple, well-prepared food and to interest them in the work and care of their homes. During the noon hour some of the High School girls help in the lunch room. There has been about the usual number who have bought all or part of their lunches. During the winter months the Social Service furnished hot lunches for several children, particularly at the Ripley Road school.

The sewing department aims to teach the girls the making and use of the common stitches, the use of the sewing machine, the use of simple patterns and the making and care of their own clothes. Sewing was taught in the sixth grade for one year but in the fall of 1932 there were so many High School girls who wished to take sewing that they were given the preference and the subject was dropped in the sixth grade.

In May a sewing exhibit was held in conjunction with the Art and Industrial departments, and we were much pleased with the large number of parents and friends who showed their interest in the handwork **done by the pupils.**

The Social Service furnished material and the girls of the sewing classes did considerable sewing for them. The garments made included layettes, and night clothes, undergarments and dresses for older children.

In closing I wish to thank you and the School Committee for the cooperation which this department has received.

Respectfully submitted,

HELEN C. WELCH.

## REPORT OF THE INDUSTRIAL ARTS

### DEPARTMENT AND CLUB WORK

*Mr. O. K. Collins*

*Superintendent of Schools*

*Dear Sir:* In the periods allotted to Industrial Arts the boys of classes 7A, 7B, and 7C have been engaged in elementary woodworking. Class 8B were given advanced woodworking, and 9B had cabinet making and wood turning. Class 8A elected elementary printing, and 10B advanced printing. The projects in woodworking in our shop are so numerous and are represented in so many of the homes in our town that further reference to them is not called for in this report. The work in our print shop compares favorably with that done in commercial establishments and gives the boys a practical understanding of Job Printing.

Due to the scarcity of employment the High School classes are unusually large, because the ambitious boys continue to attend school rather than be idle. Larger numbers of older boys would remain in school if they were offered education suited to their interests and ability. With a six hour day and a five day week Industry will accept only the properly trained, and the coming so-called New Era will undoubtedly, more than ever, place the responsibility for industrial training on the public schools. The boys from communities like Quincy and Weymouth, where adequate industrial training is given to large numbers, will find a ready demand for their services, while boys without such training will be at a distinct disadvantage.

The proper education of all of our children, in order to make them economically strong and independent, is the most important function of any community and the best safeguard of our American Institutions and Ideals.

### Club Work

By vote of the School Committee, regular club work was suspended in the Spring of 1932. The county club leaders offered to continue their visits to Cohasset if volunteer leaders could be found. Mrs. John Lawrence offered to supervise the sewing club and I have organized the poultry club.

### Financial Amount

Balance from 1931 .....	\$80.01
-------------------------	---------

#### Expenditures:

Expenses for two at M.A.C. Camp..	\$19.00
-----------------------------------	---------

Traveling expenses for two at M.A.C.	
--------------------------------------	--

Camp .....	17.28
------------	-------

Balance on hand .....	43.73
-----------------------	-------

Total .....	<u>\$80.01</u>
-------------	----------------

Respectfully submitted,

M. H. MEYER.

## REPORT OF SCHOOL PHYSICIAN

The year has been free from epidemics. A general improvement in the health of pupils is noticeable; due, I think, to more intelligent care on the part of parents, to improved condition of the teeth and in some cases to the removal of diseased tonsils.

With grateful appreciation of the cooperation of the Committee, the teachers and the school nurse.

Respectfully submitted,

OLIVER H. HOWE, M.D.
